Post Apocalyptic Story Framework:

Postapocalyptic Fiction and the Social Contract Claire P. Curtis, 2010-07-17 Postapocalyptic Fiction and the Social Contract We ll Not Go Home Again provides a framework for our fascination with the apocalyptic events The popular appeal of the end of the world genre is clear in movies novels and television shows Even our political debates over global warming nuclear threats and pandemic disease reflect a concern about the possibility of such events This popular fascination is really a fascination with survival how can we come out alive And what would we do next The end of the world is not about species death but about beginning again This book uses postapocalyptic fiction as a terrain for thinking about the state of nature the hypothetical fiction that is the driving force behind the social contract The first half of the book examines novels that tell the story of the move from the state of nature to civil society through a Hobbesian a Lockean or a Rousseauian lens including Lucifer s Hammer by Larry Niven and Jerry Pournelle Alas Babylon by Pat Frank Malevil by Robert Merle and Into the Forest by Jean Hegland The latter half of the book examines Octavia Butler s postapocalyptic Parable series in which a new kind of social contract emerges one built on the fact of human dependence and vulnerability Postapocalyptic Trilogy Thriller Storybuilder Kit Tunstall, 2024-08-22 Unleash the power of gripping storytelling with the Postapocalyptic Thriller Fiction Trilogy Storybuilder your ultimate guide to crafting a compelling series that will keep readers on the edge of their seats Designed by Kit Tunstall and TnT Author Services this comprehensive tool provides a clear detailed roadmap for structuring your trilogy developing complex characters and weaving plots with the chaos of a world on the brink Dive into the immediate aftermath of societal collapse where every decision can mean the difference between survival and extinction This Storybuilder guides you through the creation of narratives that balance the visceral challenges of a postapocalyptic world with the intricate plotting of a thriller Whether you re exploring EMP attacks pandemic outbreaks or other cataclysmic events you ll learn how to craft stories that capture both the physical and psychological toll of survival Discover how to pace your trilogy build tension across multiple books and create satisfying arcs that will leave readers clamoring for more Whether you re a seasoned author venturing into new territory or a new writerr to the genre the Postapocalyptic Thriller Fiction Trilogy Storybuilder provides a flexible framework that encourages creativity while meeting reader expectations With this tool you ll understand how to plot a three book series but the Storybuilder is flexible enough to structure just a standalone or to be reused for multiple books in a series with some minor variations instructions included Embark on your postapocalyptic thriller writing journey today and craft a postapocalyptic thriller that will leave an indelible mark on your readers imaginations The world might end but your story is just beginning *Cyber Force: Rebirth Vol. 1* Matt Hawkin, Marc Silvestri, 2013-09-25 COLLECTING THE RETURN TOP COW S TOP SELLING SERIES Carin Taylor codenamed Velocity has escaped from the CDI controlled Millennium City and is desperately trying to find the one man she believes can help her prevent the end of the world When she runs a group of other CDI escapees will they help her or turn their backs Top Cow
