The Promise of Access Daniel Greene,2021-04-06 Why simple technological solutions to complex social issues continue to appeal to politicians and professionals who should and often do know better Why do we keep trying to solve poverty with technology What makes us feel that we need to learn to code or else In *The Promise of Access* Daniel Greene argues that the problem of poverty became a problem of technology in order to manage the contradictions of a changing economy Greene shows how the digital divide emerged as a policy problem and why simple technological solutions to complex social issues continue to appeal to politicians and professionals who should and often do know better **Trinity Gambit** Zoe Cannon,Z.J.

Cannon,2021-05-17 Hades s assassins are closing in and Mal has only one place left to run home In her previous life Mal was the dutiful daughter of a prominent United States senator and her family is still living and working just outside the city It s a risky move but she knows the Marked of the gods won t dare follow her into the public eye For the last ten years the world has believed Mal dead It s time to show them how wrong they are But she hasn t taken into account how far her family will go to avoid losing her a second time Or her knack for finding divine trouble wherever she goes Or that the long forgotten ghost of her former self still lurks inside her desperate to get her old life back at any cost **The Juniper Sawfeather**

Trilogy D. G. Driver,2017-11-23 Mermaids are real In the aftermath of an oil spill in the Pacific Northwest teen environmental activist Juniper Sawfeather discovers a new species mermaids In the days that follow she must defy all odds to protect these beautiful creatures from being murdered by the corrupt oil company or exploited by the frenzied media But mermaids are only the beginning of Juniper s increasingly dangerous adventures as she realizes she has a talent for finding mythological creatures tied to her American Indian heritage Or maybe the creatures are finding her An exciting and unique young adult urban fantasy series The Juniper Sawfeather Trilogy contains Cry of the Sea Whisper of the Woods Echo of the Cliffs Book 1 Cry of the Sea has won two literary awards 2nd place in the 2016 Purple Dragonfly Children s Book Awards 2nd place in the 2015 Green Book Festival YA category Whisper of the Woods has won Official Selection for Young Adult Fantasy in the 2017 New Apple Book Awards *Urban Futures* Azhar ul Haque Sario,2025-06-17 Here is your guide to

understanding the soul of the modern city This book explores the forces that shape our urban world It begins by revisiting the foundational ideas of the Chicago School Their concept of the city as a social laboratory is more relevant than ever We trace how their theories on human ecology deviance and social disorganization apply to today s cities The book examines the landscape of the modern global city We analyze everything from immigrant enclaves and gentrification to the digital divide You will explore the evolution of youth subcultures from street gangs to online tribes We investigate how media from The Wire to news reports shapes our perception of urban problems The book tackles the tough issues of policing including Broken Windows theory mass surveillance and predictive algorithms It champions the right to the city focusing on social and environmental justice housing and public space We also explore the impact of technology the gig economy and climate change on urban life concluding with a hopeful vision for building more humane equitable and resilient cities for all What makes this book different is its unique bridge between classic sociological wisdom and contemporary practical application Many books on urbanism are either dense academic texts or collections of policy proposals that lack deep theoretical grounding *Urban Futures* connects the dots It doesn t just describe the problems of gentrification or the gig economy it uses the enduring insights of the Chicago School to explain the underlying social dynamics that drive them This approach provides a powerful toolkit for students urban planners policymakers social workers and activists By grounding modern challenges in foundational research the book offers a richer understanding and a more informed basis for action empowering you to move

beyond symptoms and address the root causes of our most pressing urban issues Disclaimer This author has no affiliation with the board and it is independently produced under nominative fair use **Overworld Chronicles Box Set Books 1-4** John Corwin,2017-11-07 Justin s got 99 problems and a vampire is one When Justin discovers he has super powers life gets a lot more interesting But as he learns the ropes of his new supernatural life he soon realizes he s not alone His parents are hiding dangerous secrets from him The girl he falls for is sworn to kill him A finicky felycan wants to make him his plaything And a bounty hunter has his family in the crosshairs If that s not enough his former best friend Randy wants to use his blood to create a vampire super serum to build an army of bloodsuckers If he can t survive his other issues and stop Randy Atlanta will be hip deep in vampires and Justin will be their juice box **Urban Legends Unwrapped** Barrett Williams,ChatGPT,2025-04-10 Unveil the hidden mysteries of modern folklore with Urban Legends Unwrapped an enthralling journey into the heart of the myths that captivate our imagination This eBook delves into the rich tapestry of urban legends unraveling the cultural and psychological threads that make these tales both irresistible and revealing Begin your exploration with the foundational elements of urban legends understanding the role they play in society as mirrors of our deepest fears and moral lessons As you move through the chapters discover how these legends have evolved from oral traditions into the digital folklore that permeates today s internet driven world From email chain letters to viral mythology see how these stories adapt and thrive in the age of technology Dive into specific spine chilling tales such as the vanishing hitchhikers and haunted houses examining the common threads and regional variations that give each legend its unique flavor Explore the dark corners of society through myths like the sewer alligators and the organ stealing kidney heist uncovering the blurred lines between fact and fiction Confront the chilling narratives of ghostly apparitions including the universal figure of the White Lady and analyze the worldwide phenomenon of Black Eyed Children Each legend is more than a mere story it s a reflection of our collective anxieties and societal challenges Unravel technology based myths like the CPU candle and trace the evolution of traditional legends like vampires as they adapt to contemporary urban landscapes The book also takes you inside the creation of new legends using Slender Man as a case study to explore the cultural impacts of user generated myths Finally Urban Legends Unwrapped dissects the psychological allure that keeps us captivated by these stories and considers their lasting impact on behavior in an ever changing world Immerse yourself in this compelling analysis and see how urban myths shape and are shaped by the societies that spin them **Sequels** Janet G. Husband,Jonathan F. Husband,2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series **Japanese and American Horror** Katarzyna Marak,2014-11-14 Horror fiction is an important part of the popular culture in many modern societies This book compares and contrasts horror narratives from two distinct cultures American and Japanese with a focus on the characteristic mechanisms that make them successful and on their culturally specific aspects Including a number of narratives belonging to film literature comics and video games this book provides a
