Challenge Based Learning Scott Beattie, 2024-12-18 Drawing on Game Based Learning and other innovations this textbook establishes the Challenge Model of learning an interactive format that involves meaningful learner decisions leading to exploration of different outcomes It includes more than 50 different examples of challenges which can be applied to different sites of learning schools and universities through to professional training While the challenges are suitable for use out of the box this textbook also presents design principles and tools for those seeking to create their own challenges It also includes additional in depth discussion of several different projects for more comprehensive integration of challenges into the curriculum and using innovative technologies to enhance learning This textbook is useful for teaching students seeking to understand how interactivity can be integrated into their design toolbox and also serves as a resource for current teachers to develop their teaching approach and seek out new options

Time Bites Trilogy Aimee Easterling, 2024-04-30 A dangerous game of memory and magic Every morning I wake up with no knowledge of who I am except for a few strange quirks I prefer old fashioned dresses that button to my chin I can shift into the form of a fox at will And a werewolf who s equal parts magnetic and terrifying keeps following me around Then the human co worker who helps me gloss over my amnesia goes missing just as a werewolf power struggle erupts around us To rescue Rosa and protect myself I must team up with the very alpha whose existence represents my greatest fears and desires But my erratic memory offers hints that my past may unlock the secrets that threaten all of us Can I piece together the truth before dawn steals away my one chance at saving Rosa s life and discovering who I really am From USA Today bestselling author Aimee Easterling comes a thrilling complete series filled with magic danger and romance

Prophecy: Action & Adventure Fantasy (Tuatha Legends Series Book 1) P. M. Gilbert, 2022-10-15 Destiny is one thing Survival in the face of evil is a different matter What started as normal days for Finn Cerys George and Arlene didn t end that way Their world got turned upside down Ancient history and birth destiny have cast them into a centuries long battle in a parallel existence between two ancient clans the Tuatha and the Fomorie across Ireland England Scotland and Wales Can immortal mythological guardians sent by the Tuatha intervene in time and save Finn Cerys George and Arlene from the Fomorie Are they really the four young warriors as foretold in an ancient Prophecy Will they be able to use the hidden gifts they supposedly possess to defend themselves against the Fomorians Prophecy is the first book in the Tuatha Legends Series This Fantasy Series will take you on an adventure through time and history It features wonderful characters with landmark locations mingling mythology with swords and sorcery and the odd dragon in a classic battle of good versus evil READERS Please note These books are set in Ireland England Scotland and Wales As a result they are written in UK English spellings of some common words will vary from US spellings They are not typographical errors

The Economics of the Audiovisual Industry: Financing TV, Film and Web Mario La Torre, 2016-12-23 This book is open access under a CC BY licence Recent reductions in public funding for audiovisual products have led to dramatic changes in the

industry The lack of interaction between the industry and capital markets has made sourcing funds for audiovisual products especially difficult This book explains why the distance between the audiovisual and financial markets exists and considers the perspective of both audiovisual companies and financial intermediaries Providing a thorough overview of the audiovisual industry in three major categories television cinema and web it analyses the financing behind each The author adapts the traditional assessment methods to include exploitation rights distribution deals and risk determinants he also proposes a pricing model for the audiovisual products demonstrating that prices and values in a industry of prototype goods do not depend solely on cost and revenue The book also includes a methodology for analysing the economics of the sector the different sales agreements between broadcasters and the distribution deals between distributors and independent producers Finally a description of the main financial products for private finance is provided as well as an explanation of how public funds can act as leverage to catalyze private resources through the use of guarantee funds In *The Economics of the Audiovisual Industry* the author suggests that rather than relying on subsidized public support the audiovisual industry should foster private public partnerships and market dynamics to promote an alternative funding model based on a profitable and long lasting connection between the audiovisual and financial markets The valuation model both for products and firms proposed in this book are at the basis of this new approach
