Bestseller Robert McParland, 2018-12-15 Whether curled up on a sofa with a good mystery lounging by the pool with a steamy romance or brooding over a classic novel Americans love to read Despite the distractions of modern living nothing quite satisfies many individuals more than a really good book And regardless of how one accesses that book through a tablet a smart phone or a good old fashioned hardcover those choices have been tallied for decades In *Bestseller A Century of America's Favorite Books* Robert McParland looks at the reading tastes of a nation from the beginning of the twentieth century to the present day Through extensive research McParland provides context for the literature that appealed to the masses from low brow potboilers like *Forever Amber* to Pulitzer Prize winners such as *To Kill a Mockingbird* Decade by decade McParland discusses the books that resonated with the American public and shows how current events and popular culture shaped the reading habits of millions Profiles of authors with frequent appearances from Ernest Hemingway to Danielle Steel are included along with standout titles that readers return to year after year A snapshot of America and its love of reading through the decades this volume informs and entertains while also providing a handy reference of the country's most popular books For those wanting to learn more about the history of American culture through its reading habits *Bestseller A Century of America's Favorite Books* is a must read

Virus of the Mind Richard Brodie, 2009 *Virus of the Mind* is the first popular book devoted to the science of memetics a controversial new field that transcends psychology biology anthropology and cognitive science Memetics is the science of memes the invisible

but very real DNA of human society In *Virus of the Mind* Richard Brodie carefully builds on the work of scientists Ric
Princeton Alumni Weekly ,1997 **The Climate Crisis** Adam Aron,2022-12-22 Why despite all we know about the
causes and harms of global heating has so little effective action been taken to cut greenhouse gas emissions and what we can
do to change that This book explains the mechanisms and impacts of the climate crisis traces the history and reasons behind
the lack of serious effort to combat it describes some people s ongoing scepticism and how to shift it and motivates an urgent
program of action It argues that the pathway to stopping dangerous global heating will require a much larger mobilization of
advocacy and activism to impel decision makers to abandon fossil fuels and transition to renewable energy and electrification
embedded in a political and social framework guided by justice principles It is an excellent resource for students and
researchers on the climate crisis the need for a renewable energy transition and the current blocks to progress *The Viral*

NONFICTION LONGLISTED FOR THE 2023 ANDREW CARNEGIE MEDALS FOR EXCELLENCE WINNER OF THE 2022 POZ
AWARD FOR BEST IN LITERATURE Sarah Schulman named *The Viral Underclass* one of the Best Books of the 21st Century
for the New York Times An irresistibly readable and humane exploration of the barbarities of class readers are gifted that
most precious of things in these muddled times a clear lens through which to see the world Naomi Klein New York Times
bestselling author of *This Changes Everything* and *The Shock Doctrine* From preeminent LGBTQ scholar social critic and
journalist Steven W Thrasher comes a powerful and crucial exploration of one of the most pressing issues of our times how
viruses expose the fault lines of society Having spent a ground breaking career studying the racialization policing and
criminalization of HIV Dr Thrasher has come to understand a deeper truth at the heart of our society that there are vast
inequalities in who is able to survive viruses and that the ways in which viruses spread kill and take their toll are much more
dependent on social structures than they are on biology alone Told through the heart rending stories of friends activists and
teachers navigating the novel coronavirus HIV and other viruses Dr Thrasher brings the reader with him as he delves into the
viral underclass and lays bare its inner workings In the tradition of Isabel Wilkerson s *Caste* and Michelle Alexander s *The*
New Jim Crow *The Viral Underclass* helps us understand the world more deeply by showing the fraught relationship between
privilege and survival **Wetwares** Richard Doyle,2003 The mind of the machine the body suspended in time organs
exchanged thought computed genes manipulated DNA samples abducted by aliens the terrain between science and
speculation fraught with the possibility of technological and perhaps even evolutionary transformations is the territory
Richard Doyle explores in *Wetwares* In a manner at once sober and playful Doyle maps potentials for human transformation
by new ecologies of information in the early twenty first century *Wetwares* ranges over recent research in artificial life
cloning cryonics computer science organ transplantation and alien abduction Moving between actual technical practices
serious speculative technology and science fiction Doyle shows us emerging scientific paradigms where life becomes more a

matter of information than of inner vitality in short becomes wetwares for DNA and computer networks Viewing technologies of immortality from cryonics to artificial life as disciplines for welcoming a thoroughly other future a future of neither capital god human nor organism the book offers tools for an evolutionary transhuman mutation in the utterly unpredictable decades to come

The Bulletin ,1995 **The Next Chapter** Camille Kellogg,2025-06-10 Their relationship is a publicity stunt Only one of them knows it When a famous former child actress meets a West Village bookseller sparks fly and complications ensue in this queer homage to Notting Hill by the author of Just as You Are Fresh poignant and deeply romantic Camille Kellogg is a must read talent Hannah Bonam Young USA Today bestselling author of Out on a Limb Katrina Kelly might have eight million Instagram followers and a multipage IMDb listing but she also has a completely stalled out career and some major questions about her sexuality which seems to be moving closer to raging lesbian every week Yet maybe she can solve both of those issues at once After all rebranding as a queer icon is a great way to jump start an acting career Jude Thacker is fine Completely fine so please stop asking Has the queer bookstore where she works been taken over by a boss who d rather sell branded tote bags than books Yes Does she have a panic attack every time she has to leave her comfort zone Maybe Has she been on a single date since her heart was shattered two years ago Absolutely not When Kat and Jude cross paths in the bookstore Kat realizes that their meet cute might just be a meet opportunity But what s meant to be a temporary publicity stunt quickly turns into real feelings for both women As the media scrutiny intensifies each must decide what s real what s not and if true love is worth losing everything they believe is keeping them safe
