predicted he carried around the key for me to rekindle smoldering embers snuffed hundreds of years go before they could become more I don't need to fall for another god but I most certainly want him If only that was the end of my new life complications I don't even think Loki could have predicted the series of events that would follow that one choice When my power begins to change and I unlock a hidden secret that summons memories I don't understand I'm led down a path not many will be able to follow And the one person who could help me find answers could also destroy everything I've worked for Because magic of this caliber has its price and I'm left to wonder what will be mine
