Picture Book Toddlers Hardcover:

The Essential Guide to Children's Books and Their Creators, Upon publication Anita Silvey's comprehensive survey of contemporary children's literature *Children's Books and Their Creators* garnered unanimous praise from librarians, educators, and specialists interested in the world of writing for children. Now *The Essential Guide to Children's Books and Their Creators* assembles the best of that volume in one handy, affordable reference geared specifically to parents, educators, and students. This new volume introduces readers to the wealth of children's literature by focusing on the essentials: the best books for children, the ones that inform, impress, and most important, excite young readers. Updated to include newcomers such as J.K. Rowling and Lemony Snicket and to cover the very latest on publishing and educational trends, this edition features more than 475 entries on the best-loved children's authors and illustrators, numerous essays on social and historical issues, thirty personal glimpses into craft by well-known writers, illustrators, and critics, and invaluable reading lists by category. *The Essential Guide to Children's Books and Their Creators* summarizes the canon of contemporary children's literature in a practical guide essential for anyone choosing a book for or working with children. *Reading LGBTQ+ Children's Picture Books* Jennifer Miller, Sara Austin, 2025-01-15 Contributions by Sara Austin, Rob Bittner, J. Bradley Blankenship, Gabriel Duckels, Caitlin Howlett, Isabel Mill, n Jennifer Miller, Kaylee Jangula, Mootz, Tim Morris, Dana Rudolph, j wallace, skelton, Jason Vanfosson, River Vooris, and B.J. Woodstein. Picture books are books aimed at children where the illustrations are as important or more important than the text. Picture books, the effects of their simple text and importance in the literary canon, have been studied by scholars for decades, but little attention has been given to LGBTQ picture books. *Reading LGBTQ Children's Picture Books* is a collection of essays that identifies and interprets children's picture books that explicitly represent LGBTQ content. Contributors to the volume include established and emerging scholars with expertise in the fields of children's literature, young adult literature, cultural studies, critical race and ethnic studies, gender and sexuality studies, history, and education. Each essay introduces readers to several children's books that denote unmistakable LGBTQ content. Essays bring various interpretive frameworks and intellectual commitments to their unique readings of LGBTQ children's picture books. The essays in *Reading LGBTQ Children's Picture Books* produce innovative new scholarship about a range of topics, including representations of LGBTQ marriage and parenting and LGBTQ history and culture. The topics explored and theoretical frameworks applied significantly expand available and accessible up-to-date scholarship on the growing field of LGBTQ children's picture books. *Reading Picture Books with Infants and Toddlers* Jane Torr, 2023-03-03. *Reading picture books with infants and toddlers* facilitates their early language development with far-reaching benefits for their later reading abilities and academic achievement. While the importance of reading books with children aged from 3 to 5 years is widely recognised, the benefits of reading with much younger children from 0 to 3 years, who are still engaged in learning their first language, are less well understood. This book will explore the seemingly simple practice of reading picture

books with infants and toddlers aged 0-3 years from a range of perspectives. Not only do books focused on adult-child interactions support language and early literacy development in multiple ways, such interactions can also at the same time foster intellectual, social, emotional, and spiritual growth. By weaving together in an accessible manner the insights from several different discipline areas, this book will explain how and why reading with infants and toddlers has such power to enrich their lives. Providing an evidence-based, theoretically informed account, *Reading Picture Books with Infants and Toddlers* supports educators, parents, and caregivers with the knowledge, skills, and motivation to provide frequent, enjoyable, and language-rich reading experiences with infants and toddlers.
