Apostrophes Simon Griffin, 2016-11-03 At last a book that tells you exactly where to stick your apostrophe funny and useful the perfect stocking filler David Marsh Guardian Apostrophes are a pain The rules about how to use them are complicated and have evolved haphazardly Originally written as advice by a copywriter for designers wont to insert and remove apostrophes at will for visual effect this is a light hearted pocket sized guide to getting the things right Simon Griffin lets off steam so that we don t have to showing precisely why Rhianna and Jennifer s photos were all over the internet is quite different to Rhianna s and Jennifer s photos or what words apostrophes are replacing in sentences such as He d like you to buy him some cocaine or They ve got it all on camera Elegantly produced this is the perfect gift for any pedant as well as an indispensable guide in all our moments of grammar related frustration The Bible for Grown-Ups Simon

Loveday, 2016-08-04 Loveday s case is that the mantle of historical truth and divine authority has placed upon the Bible an intolerable weight crushing it as a creative work of immense imaginative and inspirational power His argument is both fascinating and persuasive Matthew Parris The Bible for Grown Ups neither requires nor rejects belief It sets out to help intelligent adults make sense of the Bible a book that is too large to swallow whole yet too important in our history and culture to spit out Why do the creation stories in Genesis contradict each other Did the Exodus really happen Was King David a historical figure Why is Matthew s account of the birth of Jesus so different from Luke s Why was St Paul so rude about St Peter Every Biblical author wrote for their own time and their own audience In short nothing in the Bible is quite what it

seems Literary critic Simon Loveday's book a labour of love that has taken over a decade to write is a thrilling read for Christians and anyone else which will overturn everything you thought you knew about the Good Book *The Small Business Computer Guide* Joseph Beckman, 2014-06-28 Anyone who needs information about computer systems for small or home businesses will find *The Small Business Computer Guide* to be an invaluable thorough review of all aspects of computer systems and technology suited to small businesses In clear easy to understand language *The Small Business Computer Guide* explains hardware components software and telecommunications with an emphasis on productivity efficiency and how systems and components can be configured to best serve an individual business needs Consideration is given to budgetary restraints and Joseph S Beckman offers numerous tips and suggestions on how to put together the right system Joseph S Beckman is a lawyer in private practice and has spent many years using computers in his legal work He lives in Plantation Florida [Data Culture](#) Alex Vail, 2025-06-05 Capturing the views of over 300 business leaders on the common causes of digital transformation failure this book sets out an actionable framework to help organisations of all sizes to build successful data driven cultures Alex Vail took a sabbatical from his job on the board of one of the country's leading manufacturers to conduct several research projects including the largest ever study into the UK's corporate AI capabilities In total he surveyed 234 senior leaders and interviewed 92 executives from FTSE350 companies to identify why digital transformations succeed or fail the data dependency of organisations and their levels of data literacy at senior levels What emerged from the research was a clear set of success factors grounded in mindset and behaviour elements which have been used to create a framework that any company can follow regardless of their size or complexity that will guarantee successful data transformations This book captures all of the research in an easy to follow guide packed with relatable scenarios of real world technology deployment and valuable opinions from people at the coal face of digital transformation
