

I'm going to use my client, Bree Granado's blurb for her currently trending dark romantasy book to illustrate each step.

We worked hard together for a week to come up with her blurb, and now, her "Also Boughts" include all the bestsellers in her genre, including ACOTAR!

fearless power of a heroine during what would otherwise be simply happy hour Overdue Stephanie Perkins,2025-10-09 Stephanie Perkins is the reason we write romance Overdue is the book her readers have been waiting for Christina Lauren New York Times bestselling author of The Paradise Problem Ingrid Dahl is a cheerful twenty nine year old librarian living in the cosy mountain town of Ridgetop She and her boyfriend since college Cory have never discussed marriage they re perfectly happy with the way things are But when Ingrid s sister announces her engagement to a woman she s only been dating for two years Ingrid and Cory suddenly feel pressured to start thinking about the inevitable marriage and kids The thing is neither of them has ever been with anyone else Shouldn t they sow their oats before settling down They make the unorthodox decision to separate for a month to date other people assuming that at the end of it they ll reunite and start planning their nuptials And Ingrid has the perfect man in mind for this relationship sabbatical Macon Nowakowski her cantankerous and completely adorable coworker for whom she s had a crush for years But of course the best laid plans often go awry and when Ingrid and Cory meet at the end of the month to resume next steps in their relationship it s clear neither of them is ready to get back together Overdue is a beautifully human love story my favorite Stephanie Perkins book yet Rainbow Rowell No 1 New York Times bestselling author of Slow Dance Victorian Secrets Sarah A. Chrisman,2015-04-07 On Sarah A Chrisman s twenty ninth birthday her husband Gabriel presented her with a corset The material and the design were breathtakingly beautiful but her mind immediately filled with unwelcome views Although she had been in love with the Victorian era all her life she had specifically asked her husband not to buy her a corset ever She d heard how corsets affected the female body and what they represented and she wanted none of it However Chrisman agreed to try on the garment and found it surprisingly enjoyable The corset she realized was a tool of empowerment not oppression After a year of wearing a corset on a daily basis her waist had gone from thirty two inches to twenty two inches she was experiencing fewer migraines and her posture improved She had successfully transformed her body her dress and her lifestyle into that of a Victorian woman and everyone was asking about it In Victorian Secrets Chrisman explains how a garment from the past led to a change in not only the way she viewed herself but also the ways she understood the major differences between the cultures of twenty first century and nineteenth century America The desire to delve further into the Victorian lifestyle provided Chrisman with new insight into issues of body image and how women past and present have seen and continue to see themselves Pages from the Book of Broken Dreams Kat Jackson,2024-06-01 Emmalynn Gallagher threw caution to the wind once and found herself in the middle of a tornado Needless to say she won t be doing that again Now she fills her life with plans and to do lists Having moved home for a fresh start Emma s facing the ultimate re do list when she abruptly comes face to face with Aubrey Glass the source of Emma s teenage yearning Aubrey wouldn t recognize yearning if it tornadoed into her face but she does recognize Emma even if she wishes she didn t Socializing especially with her past is Aubrey s least favorite activity She s tender in spots no one can see and would prefer to fade into the background Amidst the backdrop of

towering shelves of books and the persistent aroma of freshly brewed coffee Emma and Aubrey navigate their post high school reunion With plenty of fumbles and missteps it doesn't seem likely that they'll manage to merge their paths nor does it always seem that they want to until suddenly it's the only thing that makes sense to either one of them *Passion + Profit with Author Ecosystems* Monica Leonelle, 2025-10-25 Are you tired of following marketing advice that feels completely wrong for how you work Wondering why strategies that work brilliantly for other authors leave you drained and frustrated The problem isn't your effort it's that you're trying to build someone else's business instead of your own Author Ecosystems reveals the six distinct creative archetypes that determine how you naturally write connect with readers and build sustainable success This isn't another one size fits all marketing system It's a personalized roadmap based on your unique creative energy patterns Are you a precision focused visionary who thrives on speed and strategic optimization like the Desert A systematic builder who creates comprehensive interconnected creative worlds like the Grassland A cultural moment creator who generates explosive impact through strategic timing like the Tundra A relationship focused author who builds loyal communities through consistent authenticity like the Taiga A healing centered storyteller who creates deep emotional connection and transformation like the Forest Or an immersive experience creator who builds devoted fandoms and cultural movements like the Aquatic What You'll Learn How to identify your core archetype and leverage your natural creative strengths Publishing paths traditional hybrid indie that align with your energy instead of draining it Audience growth strategies designed specifically for how your type connects with readers Creative production methods that work with your natural rhythm not against it Email marketing approaches that feel authentic to your archetype Sustainable paths to six figure success without burning out or compromising your creative vision Whether you're just starting your writing career or you're an established author ready to work smarter instead of harder this book provides the framework to build success on your terms Stop trying to force yourself into marketing strategies that weren't designed for you Start building the writing career that actually fits who you are Author Ecosystems was co created by Monica Leonelle and Russell Nohelty but this comprehensive guide represents Monica's complete vision for the system including the newly discovered sixth archetype the Taiga based on 2024 industry data Your creative DNA isn't a limitation It's your competitive advantage Perfect for aspiring beginning and intermediate authors building their first sustainable writing business as well as established authors ready to align their strategy with their authentic creative process *Writers' & Artists' Yearbook 2025*, 2024-09-17 This bestselling Writers Artists Yearbook contains a wealth of information on all aspects of writing and becoming a published author plus a comprehensive directory of media contacts Packed with practical tips it includes expert advice from renowned authors and industry insiders on submitting to agents and publishers writing non fiction and fiction across different genres and formats poetry plays broadcast media and illustration marketing and self publishing legal and financial information writing prizes and festivals Revised and updated annually the Yearbook includes thousands of industry contacts and over 80 articles from
