students of color Legal statutes have entrenched discriminatory practices within the admissions process perpetuating the underrepresentation of students of color at top tier institutions Given this reality the imperative for institutions to promote diversity through affirmative action remains crucial However recent legal challenges against affirmative action threaten to reinforce the status quo potentially perpetuating the dominance of predominantly white institutions in higher education This book takes an historical look at the pivotal role affirmative action has played in higher education It examines the admissions process through the eyes of a beneficiary of affirmative action and is the first text to share insights on the role eligibility plays in allowing universities to consider race in admitting applicants Detailed are the different types of affirmative action and how some colleges and universities use the policy as a tool to consider race and ethnicity as part of a holistic evaluation of applicants This work makes the case that race conscious admissions practices remain necessary in the fight for racial equity in higher education

District Leadership for Racial Equity Larkin Willis, Desiree Carver-Thomas, Linda Darling-Hammond, 2025-07-30 *District Leadership for Racial Equity* shows how transformative changes can occur across diverse districts when leaders take purposeful action in support of racial equity Developed as part of the Racial Equity Leadership Network initiative led by Southern Education Foundation this collection provides an opportunity for leaders to learn from district reform efforts that have reduced disparities and improved outcomes for students of color across unique contexts The cases presented acknowledge the challenges leaders face but they also demonstrate that change is possible when leaders build will and capacity to support successful student outcomes It examines the cases of racial equity leaders across four districts who have developed approaches that create new opportunities and outcomes for students who have been historically marginalized *District Leadership for Racial Equity* is an essential resource for emerging leaders leader practitioners and policymakers who are committed to reducing disparities and improving outcomes for all students especially those who are marginalized and underserved in our schools and society Additional resources for download are found online here <https://www.routledge.com/9781032938882> The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Research Anthology on Instilling Social Justice in the Classroom Management Association, Information Resources, 2020-11-27

The issue of social justice has been brought to the forefront of society within recent years and educational institutions have become an integral part of this critical conversation. Classroom settings are expected to take part in the promotion of inclusive practices and the development of culturally proficient environments that provide equal and effective education for all students regardless of race, gender, socio-economic status, and disability, as well as from all walks of life. The scope of these practices finds itself rooted in curriculum, teacher preparation, teaching practices, and pedagogy in all educational environments. Diversity within school administrations, teachers, and students has led to the need for socially just practices to become the norm for the progression and advancement of education worldwide. In a modern society that is fighting for the equal treatment of all individuals, the classroom must be a topic of discussion as it stands as a root of the problem and can be a major step in the right direction moving forward.

Research Anthology on Instilling Social Justice in the Classroom is a comprehensive reference source that provides an overview of social justice and its role in education, ranging from concepts and theories for inclusivity, tools and technologies for teaching diverse students, and the implications of having culturally competent and diverse classrooms. The chapters dive deeper into the curriculum, choices, teaching theories, and student experience as teachers strive to instill social justice learning methods within their classrooms. These topics span a wide range of subjects from STEM to language arts and within all types of climates, PK-12, higher education, online or in-person instruction, and classrooms across the globe. This book is ideal for in-service and preservice teachers, administrators, social justice researchers, practitioners, stakeholders, researchers, academicians, and students interested in how social justice is currently being implemented in all aspects of education.
