Arab and Muslim Science Fiction Hosam A. Ibrahim Elzembely, Emad El-Din Aysha, 2022-05-06 How is science fiction from the Arab and Muslim world different than mainstream science fiction from the West What distinctive and original contributions can it make Why is it so often neglected in critical considerations of the genre While other books have explored these questions all have been from foreign academic voices Instead this book examines the nature genesis and history of Arabic and Muslim science fiction as well as the challenges faced by its authors in the authors own words These authors share their stories and struggles with censors recalcitrant publishers critics the book market and the literary establishment

Their uphill efforts with critical contributions from academics translators and literary activists will enlighten the sci fi enthusiast and fill a gap in the history of science fiction Topics covered range from culture shock to conflicts between tradition and modernity proactive roles for female heroines blind imitation of storytelling techniques and language games

Wizards, Aliens, and Starships Charles L. Adler, 2014-02-02 Explaining the science behind science fiction and fantasy from the probable to the impossible From teleportation and space elevators to alien contact and interstellar travel science fiction and fantasy writers have come up with some brilliant and innovative ideas Yet how plausible are these ideas for instance could Mr Weasley s flying car in the Harry Potter books really exist Which concepts might actually happen and which ones wouldn t work at all *Wizards Aliens and Starships* delves into the most extraordinary details in science fiction and fantasy such as time warps shape changing rocket launches and illumination by floating candle and shows readers the physics and math behind the phenomena With simple mathematical models and in most cases using no more than high school algebra Charles Adler ranges across a plethora of remarkable imaginings from the works of Ursula K Le Guin to Star Trek and Avatar to explore what might become reality Adler explains why fantasy in the Harry Potter and Dresden Files novels cannot adhere strictly to scientific laws and when magic might make scientific sense in the muggle world He examines space travel and wonders why it isn t cheaper and more common today Adler also discusses exoplanets and how the search for alien life has shifted from radio communications to space based telescopes He concludes by investigating the future survival of humanity and other intelligent races Throughout he cites an abundance of science fiction and fantasy authors and includes concise descriptions of stories as well as an appendix on Newton s laws of motion *Wizards Aliens and Starships* will speak to anyone wanting to know about the correct and incorrect science of science fiction and fantasy **American Aliens** Gina

Hagler, 2019-12-15 Do UFOs and aliens exist Many people claim they don t Many others are convinced that not only do they exist but that in order to avoid widespread panic the U S government released several reports that intentionally covered up all existing proof Exciting text accompanied by spine tingling full color images and intriguing sidebars discusses some of the sightings and abductions that have been reported from around the world since the late 1800s Readers will discover just what people have claimed to witness and experience and what the experts have to say about these strange reports
