Author Your Ambition: The Complete Self-Publishing Workbook for First-Time Authors M.K.

Williams,2023-01-10 Use this comprehensive how to guide from M K Williams to self publish and market your first book The dream is holding your finished book in your hands The reality well it can be far from ideal When you write and self publish your book there are seemingly thousands of small decisions to make It can be a lot to manage Oh then there are dozens of gurus telling you that their way is the best With Author Your Ambition you will work through your vision and goals for your book From there the decisions on your strategy which platforms and retailers your book will be on and how much you budget for this endeavor will be clear The steps needed to get the book across the finish line with a cover formatted files and a solid launch marketing plan are all included This guidebook takes the guesswork out of starting your author business Using the exercises and checklists in this workbook you can choose your own self publishing adventure What works for you and your book Only you know M K Williams has taken almost a decade of experience writing and publishing her own books and helping others do the same and turned her massive set of checklists into their easy to use guide Let s get started on your author journey today Social Media Marketing Workbook 2022 Jordan Smith,2022-07-01 Social media has become the fastest moving industry in the world Businesses can grow faster find new customers quicker grow their wealth and knowledge by reaching out to people from all over the world This is something that was not possible several decades ago when the only form of marketing accessible to most businesses was print radio and television advertising Your reach was restricted based on your budget and you had no control over how many times your target audience would listen or see the content you are putting out there Well not anymore One of social media s most powerful features is the way it can connect people from all over the world in a matter of seconds It doesn t matter where you are located as long as you have a working internet connection and some device to view content on you re connected For businesses this has been an incredible advantage Imagine the business potential when you can now reach millions of customers worldwide Social media has changed the world of marketing forever For example your business can go live in a matter of seconds to people across the world Your product launch when it is done as live broadcast it is instantly shown to customers from every country imaginable You get to share the amazing things that happen in your company with your loyal customers and build relationships with them in a way that you never could before social media came along This platform has forced businesses to become more creative innovative and more attentive to what the customers want in order to keep the content fresh relevant and appealing to the target audience Social media has also become a hotbed of research and this is where your business begins to transform your marketing strategies The next chapters will be your guide to marketing your business on this social digital space like a winner Passion + Profit with Author Ecosystems Monica Leonelle,2025-10-25 Are you tired of following marketing advice that feels completely wrong for how you work Wondering why strategies that work brilliantly for other

authors leave you drained and frustrated The problem isn't your effort it's that you're trying to build someone else's business instead of your own Author Ecosystems reveals the six distinct creative archetypes that determine how you naturally write connect with readers and build sustainable success This isn't another one size fits all marketing system It's a personalized roadmap based on your unique creative energy patterns Are you a precision focused visionary who thrives on speed and strategic optimization like the Desert A systematic builder who creates comprehensive interconnected creative worlds like the Grassland A cultural moment creator who generates explosive impact through strategic timing like the Tundra A relationship focused author who builds loyal communities through consistent authenticity like the Taiga A healing centered storyteller who creates deep emotional connection and transformation like the Forest Or an immersive experience creator who builds devoted fandoms and cultural movements like the Aquatic What You'll Learn How to identify your core archetype and leverage your natural creative strengths Publishing paths traditional hybrid indie that align with your energy instead of draining it Audience growth strategies designed specifically for how your type connects with readers Creative production methods that work with your natural rhythm not against it Email marketing approaches that feel authentic to your archetype Sustainable paths to six figure success without burning out or compromising your creative vision Whether you're just starting your writing career or you're an established author ready to work smarter instead of harder this book provides the framework to build success on your terms Stop trying to force yourself into marketing strategies that weren't designed for you Start building the writing career that actually fits who you are Author Ecosystems was co created by Monica Leonelle and Russell Nohelty but this comprehensive guide represents Monica's complete vision for the system including the newly discovered sixth archetype the Taiga based on 2024 industry data Your creative DNA isn't a limitation It's your competitive advantage Perfect for aspiring beginning and intermediate authors building their first sustainable writing business as well as established authors ready to align their strategy with their authentic creative process

Global Literary Studies Diana Roig-Sanz, Neus Rotger, 2022-12-05 While the very existence of global literary studies as an institutionalised field is not yet fully established the global turn in various disciplines in the humanities and the social sciences has been gaining traction in recent years This book aims to contribute to the field of global literary studies with a more inclusive and decentralising approach Specifically it responds to a double demand the need for expanding openness to other ways of seeing the global literary space by including multiple literary and cultural traditions and other interdisciplinary perspectives in the discussion and the need for conceptual models and different case studies that will help develop a global approach in four key avenues of research global translation flows and translation policies the post 1989 novel as a global form global literary environments and a global perspective on film and cinema history Gathering contributions from international scholars with expertise in various areas of research the volume is structured around five target concepts space scale time connectivity and agency We also take gender and LGBTQ perspectives as well as a digital approach
