and motivate teachers Systems of education will be successful if they are supported by the government organizations communities parents learners and teachers There should be good structures in the education system to produce more teachers who will be responsible in educating the nation The death of a good system of education would drive the nation back to a time of ignorance where uneducated people will become leaders of nations *In the Know Students Book and Audio CD* Cindy Leaney,2005-10-11 In the Know teaches intermediate level students and above the idioms they need to know in order to understand everyday idiomatic English The idioms are presented in 40 four page units and are grouped by context by concept or by key words Each four page unit starts out with a presentation page which is followed by three sections Focus on Meaning Focus on Form and Focus on Use BOOK JACKET *Life Skills Curriculum: ARISE Dropout Prevention, Book 2: So You're Thinking About Staying in School?
