Framework Picture Book Toddlers:

Reading Picture Books with Infants and Toddlers Jane Torr, 2023-03-03 Reading picture books with infants and toddlers facilitates their early language development with far reaching benefits for their later reading abilities and academic achievement While the importance of reading books with children aged from 3 to 5 years is widely recognised the benefits of reading with much younger children from 0 to 3 years who are still engaged in learning their first language are less well understood This book will explore the seemingly simple practice of reading picture books with infants and toddlers aged 0 3 years from a range of perspectives Not only do book focused adult child interactions support language and early literacy development in multiple ways such interactions can also at the same time foster intellectual social emotional and spiritual growth By weaving together in an accessible manner the insights from several different discipline areas this book will explain how and why reading with infants and toddlers has such power to enrich their lives Providing an evidence based theoretically informed account Reading Picture Books with Infants and Toddlers supports educators parents and caregivers with the knowledge skills and motivation to provide frequent enjoyable and language rich reading experiences with infants and toddlers

Writing a Children's Book Pamela Cleaver, 2004 This guide covers the writing of picture books plots and planning teenage fiction and non fiction books The author also deals with the business side of publishing including market research and finding a publisher The Essential Guide to Children's Books and Their Creators , Upon publication Anita Silvey s comprehensive survey of contemporary children s literature Children s Books and Their Creators garnered unanimous praise from librarians educators and specialists interested in the world of writing for children Now The Essential Guide to Children s Books and Their Creators assembles the best of that volume in one handy affordable reference geared specifically to parents educators and students This new volume introduces readers to the wealth of children s literature by focusing on the essentials the best books for children the ones that inform impress and most important excite young readers Updated to include newcomers such as J K Rowling and Lemony Snicket and to cover the very latest on publishing and educational trends this edition features more than 475 entries on the best loved children s authors and illustrators numerous essays on social and historical issues thirty personal glimpses into craft by well known writers illustrators and critics and invaluable reading lists by category The Essential Guide to Children s Books and Their Creators summarizes the canon of contemporary children s literature in a practical guide essential for anyone choosing a book for or working with children

Children's Books and Their Creators Anita Silvey, 1995 Unique in its coverage of contemporary American children s literature this timely single volume reference covers the books our children are or should be reading now from board books to young adult novels Enriched with dozens of color illustrations and the voices of authors and illustrators themselves it is a cornucopia of delight 23 color 153 b w illustrations *Reading in the Digital Age: Young Children's Experiences with E-books* Ji Eun Kim, Brenna Hassinger-Das, 2019-07-23 This edited book focuses on affordances and limitations of e books for

early language and literacy features and design of e books for early language and literacy print versus e books in early language and literacy development and uses of and guidelines for how to use e books in school and home literacy practices Uniquely this book includes critical reviews of diverse aspects of e books e g features and e book uses e g independent reading for early literacy as well as multiple examinations of e books in home and school contexts using a variety of research methods and or theoretical frames The studies of children s engagement with diverse types of e books in different social contexts provide readers with a contemporary and comprehensive understanding of this topic Research has demonstrated that ever increasing numbers of children use digital devices as part of their daily routine Yet despite children s frequent use of e books from an early age there is a limited understanding regarding how those e books are actually being used at home and school As more e books become available it is important to examine the educational benefits and limitations of different types of e books for children So far studies on the topic have presented inconsistent findings regarding potential benefits and limitations of e books for early literacy activities e g independent reading shared reading The studies in this book aim to fill such gaps in the literature

Inspiring Literacy Sam Leaton Sebesta, Kenneth L. Donelson, 1993-01-01 Teaching Young Children: Choices In Theory And Practice Mac Naughton, Glenda, Williams, Gillian, 2008-11-01 This book presents early childhood students and staff with a broad and diverse range of teaching techniques to support children s learning It examines 26 techniques ranging from simple ones such as describing and listening to more complex methods such as deconstruction and scaffolding The strategies selected are derived from the best current research knowledge about how young children learn A detailed evaluation of each strategy enables childcare staff early childhood teachers and students to expand their repertoire of teaching strategies and to critically evaluate their own teaching in early childhood settings Vignettes and examples show how early childhood staff use the techniques to support children s learning and help to bring the discussion of each technique to life Revised and updated in light of the latest research new features include Coverage of the phonics debate Addition of ICT content Questions for further discussion Revision to the chapter on problem solving Updated referencing throughout Teaching Young Children is key reading for students and experienced early childhood staff working in diverse settings with young children
