She's left her unsatisfying librarian job, moved to the country with her boyfriend David Montrose who is her sworn astral protector and opened a school for witches. Alas, Jane never thought teaching a couple of students would be so challenging. And she didn't expect Hecate's Court to mandate a Major Working by Halloween. She never imagined her feline familiar would grow disenchanted with all things magical. Worst of all, though, she never dreamed that she and David would fight about every single aspect of living and teaching together. Can Jane find a survival guide in time to rescue the Jane Madison Academy and her relationship with David? Miss Primm's Academy for Wayward Witches: The Complete Trilogy Christine Pope, 2022-08-12. The Miss Primm's Academy for Wayward Witches boxed set includes all three books in the trilogy: *MISSPELLED*, *One last chance to control her magic or she's banished to a world without it*. Eighteen-year-old Callie and her magic aren't exactly on speaking terms. Translation: She has control issues. She has only three years at Miss Primm's Academy of Wayward Witches to whip her unruly magic into shape. Or DOME, the Department of Magical Exile will banish her to Mundania. A world without magic. Callie quickly learns that pop quizzes are killer. And the professor seems to have it in for her. Then there's Lochlan, a boy at Master Marco's School for Woeful Wizards. If Callie can survive her first year, maybe they can do more than just dream about the future. *DISPELLED*. One year down, two to go, unless Callie's search for justice gets her expelled. The pressure is on as Callie Dobkins begins her second year at Miss Primm's Academy for Wayward Witches. Not only does she have the same stern-faced Spells professor, her older sister is planning her wedding around Callie's graduation date. Which means if she fails, she'll not only be banished, she'll break her sister's heart. Worse, Callie is suspicious. One girl in her class is cheating. Snooping for evidence only succeeds in getting Callie grounded. And even her handsome boyfriend Lochlan is urging her to back off. Because if she's caught, she'll be expelled and exiled to Mundania. *EXPELLED*. She's just gotten control of her wild magic. Now she'll have to set it free. Miss Primm, headmistress of the Academy, has gone missing. And has Master Marco of the School for Woeful Wizards. Callie and her friends speculate, but Callie alone can't shut out the inner voice warning her to keep quiet about her suspicions. In a horrible moment, the conniving Mr. McGee exiles Callie to Mundania, where she will have to draw on all her wild magic to find her way home to her family, to her boyfriend Lochlan, and to the circle of friends who will try to root out the corruption at the Academy once and for all.

The School for Wicked Witches Will Taylor, 2024-09-17 Ava isn't ready to leave her home in Oz especially not to become a witch. Then the worst thing that could possibly happen occurs: Ava's magic does very wrong and she is banished to a school for wicked witches. Perfect for fans of *WICKED WITCHLINGS* and *THE SCHOOL FOR GOOD AND EVIL*. In Oz, most girls and boys with magical powers are sent from the north, south, east, and west to renowned witch academies where they are elevated and taught all the finer ways to be a responsible witch. But if you misbehave or are thought to harbor darker magic, you're sent to the equivalent of witch reform school: The School for Wicked Witches. ONLY. Once you get there, you find that the witches running it are so powerful that they've managed to trick the rest of the outside world. Yes, it looks to outsiders like they are taming the wickedness out of the witches, but in truth, the school is run by wicked witches who incidentally don't see themselves as wicked at all, although some of them really are. Ava Heartstraw has never even considered being wicked. But when she goes to take her entrance test for a witch academy, she doesn't get the reaction she's expecting and is the first kid in memory from the west to be sent to the School for Wicked Witches.
