SIX LENSES

VIGNETTES OF SUCCESS, CAREER
AND RELATIONSHIPS

"R. Gopalakrishnan has brilliantly crystallised how the six lenses of life (purpose, authenticity, courage, trust, luck and fulfilment) will make you understand who you are and what matters most in success, career and relationships." **JAGDISH N. SHETH**

Six Lenses Vignettes Success Relationships:

Six Lenses Ramabadrnan Gopalakrishnan, 2015-12-14 Almost with a touch of philosophy yet firmly grounded in the reality of business and national affairs the author argues that there is no reality only perceptions of reality. Perceptions influence our thoughts and actions and these in turn are influenced by the lenses through which we see the world. There are six such lenses: purpose, authenticity, courage, trust, luck, and fulfilment. R. Gopalakrishnan uses as examples the lives of ordinary people to illustrate his view. By rotating the lenses Gopal attempts to understand what success in career and life really means. While biographies of celebrities are inspiring to read they are often read like dramatic fairy tales out of the scope of an average person. But in *Six Lenses* Gopalakrishnan narrates the stories of PLUs (people like us) as he likes to call them from business and society whom he has known during his illustrious career. He elucidates the extraordinary lessons that can be learnt from everyday experiences and shows how by altering our perceptions we can better overcome the challenges we face at work and in family matters. Thought provoking, profound and questioning, *Six Lenses* will make you look at your life and career in a different light.

The Inspired Leader Andy Bird, 2018-01-02 Being inspired can be a magnificent invigorating feeling. But it is also one that we know surprisingly little about. Does it happen by chance? Are all forms of inspiration the same? Can we influence how and when we feel inspired? These are searching questions particularly for people who take on the responsibilities and challenges of leadership. Given the tumultuous state of the world today, effective leadership throughout our organizations and communities has never been more important. Equally, though, there has also never been greater pressure on leaders to perform and to provide inspirational leadership for their people and teams. If individuals are to step up and succeed in inspiring others, their first priority must be to discover the inspiration they need for themselves. *The Inspired Leader* helps them do just that. The book is based on extensive new research conducted in association with Henley Business School into the real life experiences of leaders from many different walks of life. Drawing on the latest behavioural science, Andy Bird explains how inspiration is actually experienced by people in positions of leadership. He also examines how they maintain it over time despite the many obstacles and challenges they face. The result is a compelling collection of stories, insights and ideas which are accompanied by a thought provoking set of personal development tools and reflective exercises. In combination, *The Inspired Leader* provides unrivalled support for anyone seeking their own path to a more inspired life as a leader.

The Object Relations Lens Christopher W.T. Miller, M.D., 2022-10-25 With a mix of theory, practical advice and illustrative clinical material, *The Object Relations Lens* is a compelling and indispensable resource for any clinician interested in applying the object relations model to their clinical or academic work.
