J. Mark Thompson, Richard Tuch

Stories We Could Tell:

Stories We Could Tell David Sanjek, 2018-10-03 How has the history of rock n roll been told Has it become formulaic Or remained like the music itself open to outside influences Who have been the genre s primary historians What common frameworks or sets of assumptions have music history narratives shared And most importantly what is the cost of failing to question such assumptions *Stories We Could Tell* Putting Words to American Popular Music identifies eight typical strategies used when critics and historians write about American popular music and subjects each to forensic analysis This posthumous book is a unique work of cultural historiography that analyses catalogues and contextualizes music writing in order to afford the reader new perspectives on the field of cultural production and offer new ways of thinking about and writing about popular music

The Stories We Are William Lowell Randall, 2014-01-01 William Lowell Randall explores the links between literature and life and speculates on the range of storytelling styles through which people compose their lives In doing so he draws on a variety of fields including psychology psychotherapy theology philosophy feminist theory and literary theory

Oh, the Stories I Can Tell Jon Quint, 2024-08-27 This book details my twenty five years of dealing with nuisance wildlife complaints on just about everything from the almost life threatening to the absolutely hilarious It also talks about dealing with customers some of whom have knowledge while some have absolutely no clue what is going on

Stories We've Heard, Stories We've Told Jeffrey A. Kottler, 2015 If you ask someone the question Tell me a story that changed your life there will almost certainly be a thoughtful pause before a huge grin emerges Everyone s life has been guided and impacted by stories beginning with the earliest fables and nursery rhymes our parents used to instill moral values to the last time you wanted to illustrate a point in a meeting or get a laugh out of a friend over dinner Storytelling is a uniquely human activity among our first and most enduring forms of communication This is a book about the meaning of stories in people s lives especially those that have produced enduring changes in their values behavior lifestyle and worldview Carefully documented and supported by research from the social sciences as well as from neurobiology the humanities media studies and arts Jeffrey Kottler will explore how and why stories are so powerfully influential in people s lives especially those that lead to major life transformations

Because Data Can't Speak for Itself David Chrisinger, Lauren Brodsky, 2023-01-31 The value and prominence of data has never been clearer From the way we make policies at the highest levels all the way down to our daily business practices we try to be informed by data The ability to not only analyze data but also to present it clearly and compellingly has become an important part of many people s work In clear well organized chapters Chrisinger and Brodsky introduce key concepts for communicating data and its usefulness Across the fields of public health health policy and public policy more generally but also in many other places policymakers advocates and researchers will benefit from the big picture overview and practical details presented by the authors

Stories We Dance / Stories We Tell Karen Schupp, Sherrie Barr, 2025-07-18 Higher education continually mediates long standing traditions while seeking new ways of thinking creating

a quiet tension as institutions respond to shifting and multiple socio cultural values Dance programs not immune to these currents must consider intersecting obligations to build a more equitable curriculum meet the needs of an increasingly diverse population and prepare students for a wider array of dance based careers In view of their critical role in stewarding the next generation of dance artists educators scholars leaders and fostering change in higher education faculty must give more attention to the experiences of those committed to dance in higher education This collection articulates and considers these lived experiences revealing the inner workings of dance in higher education Autoethnographic essays varying in style and scope illuminate the pressures encountered across one s career trajectory By unearthing and contextualizing hidden challenges expectations and opportunities the authors speak to possibilities for how proactive change in dance education can occur

Stories I Like to Tell J.P. (Pat) Lynch,2010-11-10 A collection of stories and anecdotes about family friends and personal experiences I left school at age sixteen Life has been very good to me and at the urging of some friends I decided it might be fun to write down some of the things that caught my attention along the way The collection may be fun someday for the grandkids It may be fun now for people who want a chuckle from reading about a very ordinary character doing very ordinary things in ways that sometimes are outside the nine dots

Peeridge Kids Eva Davis,2022-08-01 This book starts at the funeral of her father Eddie Gravitt She is talking with his spirit and recalling the days of her youth You can feel her grief and sadness as she recalls the days of her childhood and that of her siblings growing up in rural Missouri in the forties and fifties You will feel the trauma of a poor family trying to survive the depression She describes all the hardships and the love for her family and her parents She shows immense pride in her father He never gave up trying to support his family though his job skills were limited by not being able to read or write She tells how he became one of the most respected antique dealers in Missouri This book is the actual story of a family s hardships It is not fiction

The Stories We Tell Ourselves J. Mark Thompson,Richard Tuch,2013-09-23 The Stories We Tell Ourselves Mentalizing Tales of Dating and Marriage is about the dynamics of intimate interpersonal relationships dating and marriage how and why human pairings occur what helps them function optimally and how therapists can intervene when they don t J Mark Thompson and Richard Tuch employ a multidimensional perspective that provides a variety of lenses through which intimate relationships can be viewed The authors also offer a new model of couples therapy based on the mentalization model of treatment developed by Peter Fonagy and his colleagues This book is aimed at those interested in the nature of intimate relationships as well as those wishing to expand their clinical skills whether they are conducting one on one therapy with individuals struggling to establish and maintain intimate relations or are conducting conjoint treatment with troubled couples who have sought the therapist s assistance Thompson and Tuch view relationships from a wide array of different perspectives mentalization attachment theory evolutionary psychology psychoanalysis pattern recognition neuroscience and role theory A mentalization based approach to couples therapy is clearly explained in a how to fashion with concrete suggestions about how the therapist goes

about clinically intervening given their expanded understanding of the dynamics of intimate relations outlined in the book *The Stories We Tell Ourselves* Mentalizing Tales of Dating and Marriage will appeal to psychoanalysts psychotherapists psychiatrists psychologists clinical social workers marriage therapists and all those interested in both learning more about the dynamics of one on one intimate relationships dating and marriage from a truly multidimensional perspective and in learning how to conduct mentalization based couples therapy Stories We Tell Ourselves.
