Strategic Management Of Technology And Innovation:

Strategic Management of Technology and Innovation Robert A. Burgelman, Modesto A. Maidique, Steven C. Wheelwright, 2001 This text has been written for a course in technology and innovation It covers contemporary research by using a combination of text readings and cases Based on reviewer response to a survey the authors have updated many of the cases that instructors found outdated or lacking Classic cases such as Claire McCloud have been kept while newer cases such as Intel Corporation in 1999 have been added There is also a strong set of readings from sources such as Harvard Business Review California Management Review and Sloan Management Review

Strategic Management of Technology and Innovation Robert A. Burgelman, Clayton Christensen, Steven C. Wheelwright, 2004 The 4th Edition of Strategic Management of Technology and Innovation by Burgelman Christensen and Wheelwright continues its unmatched tradition of market leadership by using a combination of text readings and cases to bring to life the latest business research on these critical business challenges New co author Clay Christensen provides his insights on innovation management and new market entries through several new cases Approximately 40% of the cases are entirely new to this edition Strategic Management of Technology and Innovation takes the perspective of the general manager at the product line business unit and corporate levels The book not only examines each of these levels in some detail but also addresses the interaction between the different levels of general management for example the fit between product strategy and business unit strategy and the link between business and corporate level technology strategy Each part of the book starts with an introductory chapter laying out an overall framework and offering a brief discussion of key tools and findings from existing literature The remainder of each part offers a selected handful of seminar readings and case studies Almost all of the cases deal with recent events and situations including several that are concerned with the impact of the Internet A few classics have been retained however because they capture a timeless issue or problem in such a definitive way that the historical date of their writing is irrelevant

Strategic Management of Technological Innovation Melissa A. Schilling, 2013 Strategic Management of Technological Innovation 4e by Melissa Schilling is the first comprehensive and rigorous yet accessible text for the Technology and Innovation Management course Unlike other books Schilling's approach synthesizes the major research in the field providing students with the knowledge needed to enhance case discussion and analysis The subject is approached as a strategic process and as such is organized to mirror the strategic management process used in most strategy textbooks progressing from assessing the competitive dynamics of a situation to strategy formulation to strategy implementation As a brief affordable paperback it is ideal to package with cases Recommended case sets from the author are available through McGraw Hill Create or from the Harvard Business School Case Database
