Strategic Reality Dictionary Deep Infopolitics And Cultural Intelligence:

Strategic Reality Dictionary Konrad Becker, 2009 Literary Nonfiction Social Science With his seventy two keys Konrad Becker aims to unlock the gates of strategic reality its construction over centuries its imposition through stealth and force its dull and laborious maintenance and its dissolution and destruction by those who can't take it anymore The subjects treated here range widely from Affective Images and Conspired Environments to Hyperreal Estate a high profile topic during the credit crunch of 2008 Phantom Induction Reality Maps Synthetic Fear etc These keys are communicational models of phantasmagoric systems which unlock and display for brief moments the operations of the complex machinery that stealthily attempts to recreate our own perceptions affects and expressions Yet unlike the other systems which they so expertly mimic and reduplicate these have the grace of immediately dissolving into thin air while durably revealing the smoke and mirrors that appeared to give them substance Proceedings of Futur en Seine 2009 Cap Digital, Stillness in a Mobile World David Bissell, Gillian Fuller, 2013-01-11 This edited collection of essays on the conceptual political and philosophical importance of stillness is positioned within a world that has increasingly come to be understood through the theoretical and conceptual lens of movement With contributions from leading scholars in the field the diversity of this collection illuminates the multiplicity of ontological and epistemological registers through which stillness moves from human geography to media studies cultural theory to fine arts With the help of luminaries such as Deleuze Bergson Barthes and Beckett this book interweaves cutting edge theoretical insight with empirical illustrations which examine and traverse a multitude of practices spaces and events In an era where stasis slowness and passivity are often held to be detrimental this collection puts forward a new set of political and ethical concerns which help us to come to terms with understand and account for im mobile life Stillness in a Mobile World in an essential source of reference for both undergraduate and post graduate students working within disciplines such as cultural studies sociology mobility studies and human geography **The Composition of Movements to Come** Stevphen Shukaitis, 2015-12-18 How does the avant garde create spaces in everyday life that subvert regimes of economic and political control How do art aesthetics and activism inform one another And how do strategic spaces of creativity become the basis for new forms of production and governance The Composition of Movements to Come reconsiders the history and the practices of the avant garde from the Situationists to the Art Strike revolutionary Constructivism to Laibach and Neue Slowenische Kunst through an autonomist Marxist framework Moving the framework beyond an overly narrow class analysis the book explores broader questions of the changing nature of cultural labor and forms of resistance around this labor It examines a doubly articulated process of refusal the refusal of separating art from daily life and the re fusing of these antagonistic energies by capitalist production and governance This relationship opens up a new terrain for strategic thought in relation to everyday politics where the history of the avant garde is no longer separated from broader questions of political economy or movement but becomes a point around which to reorient these considerations

Dictionary of Operations Konrad Becker, 2012 Vienna based cultural critic Konrad Becker offers another 72 key manifesto of deep politics and cultural intelligence Becker unlocks a historical and ideological treasure trove of enslaving memes and pioneer paths to liberation from them
