The Predicament Of Blackness Postcolonial Ghana And The Politics Of Race:

The Predicament of Blackness Jemima Pierre, 2013 What is the meaning of blackness in Africa This title tackles the question of race in West Africa through its post colonial manifestations Pierre examines key facets of contemporary Ghanaian society from the pervasive significance of whiteness to the practice of chemical skin bleaching to the government's active promotion of Pan African heritage tourism , **The Moving Word** Leslie James, Senior Lecturer in Global History Leslie James, 2025-12-16 In the 1930s and 1940s Caribbean and West African newspapers nurtured anticolonial movements through experimental reporting But as press professionalism became a proxy for a colony's capacity to self govern in the 1950s papers standardized and intellectual debates about racism and colonialism disappeared from their pages Religion and Transnational Citizenship in the African Diaspora Mattia Fumanti, 2022-12-30 This book focuses on Akan speaking Ghanaians in London and explores in detail the experience of African migrants living in Britain investigating how they construct their British citizenship through their membership of the church Building on extensive ethnographic research in London and Ghana the author explores the relationship between religion and citizenship the emergence of transnational subjectivities and the making of diaspora aesthetics among African migrants Starting from the understanding that citizenship is dialogical a status mediated by a subject's multiple and intersecting identities the author highlights the limitations of existing conceptualisations of migrant citizenship Anchored in a case study of the British Ghanaian Methodist Church as a transnational religious organisation and cultural polity the book explores diasporic religious subjectivities as both cosmopolitan and transnational while being configured in emotionally and morally significant ways by the Methodist Church as well as family ethnicity and nation Interdisciplinary by nature this book will be of interest to a wide range of researchers and scholars across the social sciences and humanities working in the fields of anthropology religion sociology postcolonial studies and African studies and additionally policy makers interested in diaspora and migration studies **World Yearbook of Education 2023** Janelle Scott, Monisha Bajaj, 2022-11-07 The World Yearbook of Education 2023 centers on the intersection of racialization inequality and education It critically examines how racial formation and its associated logics about citizenship belonging justice equality and humanity manifest in early childhood education primary secondary and higher education as well as non formal community based education settings The chapters offer multisited perspectives into how racialization has and continues to shape educational inequality with an eye towards the agency and resistance of youth and communities in contesting such forms of domination and marginalization Across three sections the book examines how forces of imperialism white supremacy and colonization have shaped racialization in distinct locations and how education was historically utilized as a site for both the creation and or reification of difference It reveals the lingering effects of processes of racialization in distinct locations globally and their intersections with educational policies ideologies systems and realities Inviting readers to learn reflect and engage with the layered and complex realities of racialization and inequality in education

across the globe World Yearbook of Education 2023 is a timely and important contribution to discussions of racialization and provides the field with a robust foundation for future critical inquiry and engagement with the themes of race racialization inequality and education

Desi Hoop Dreams Stanley I. Thangaraj, 2015-06-26 South Asian American men are not usually depicted as ideal American men They struggle against popular representations as either threatening terrorists or geeky effeminate computer geniuses To combat such stereotypes some use sports as a means of performing a distinctly American masculinity Desi Hoop Dreams focuses on South Asian only basketball leagues common in most major U S and Canadian cities to show that basketball for these South Asian American players is not simply a whimsical hobby but a means to navigate and express their identities in 21st century America The participation of young men in basketball is one platform among many for performing South Asian American identity South Asian only leagues and tournaments become spaces in which to negotiate the relationships between masculinity race and nation When faced with stereotypes that portray them as effeminate players perform sporting feats on the court to represent themselves as athletic And though they draw on black cultural styles they carefully set themselves off from African American players who are deemed too aggressive Accordingly the same categories of their own marginalization masculinity race class and sexuality are those through which South Asian American men exclude women queer masculinities and working class masculinities along with other racialized masculinities in their effort to lay claim to cultural citizenship One of the first works on masculinity formation and sport participation in South Asian American communities Desi Hoop Dreams focuses on an American popular sport to analyze the dilemma of belonging within South Asian America in particular and in the U S in general

The Anthropology of White Supremacy Aisha M. Beliso-De Jesús, Jemima Pierre, Junaid Rana, 2025-01-28 An anthology of original essays that examine white supremacy around the globe through the lens of anthropology White supremacy an entrenched global system that emerged alongside European colonialism is based on presumed biological and cultural differences racist practices the hypervaluation of whiteness and the devaluation of nonwhites Anthropology has been shaped by and has helped to shape white supremacy yet the discipline also offers powerful tools for understanding this system at a global scale The Anthropology of White Supremacy gathers original essays from a diverse international group of anthropologists to explore how this phenomenon works both within anthropology and in cultural and political structures around the world The book features historical and ethnographic analysis about Brazil Iceland Japan Mexico Nigeria Palestine Senegal South Africa and the United States and addresses the ways white supremacy impacts a broad range of issues including finance advertising and media representations militarism police training migration and development The Anthropology of White Supremacy demonstrates not only how anthropology can help us to better comprehend white supremacy but also how the discipline can help us begin to dismantle it The contributors include Omolade Adunbi Samar Al Bulushi Aisha M Beliso De Jes s Michael L Blakey Mitzi Uehara Carter Subhadra Mitra Channa Celina de S Vanessa D az Britt Halvorson Faye V Harrison Sarah Ihmoud Anthony R

 case study Forjwuor rethinks what colonialism and decolonization mean and offers new methodological theoretical and
 conceptual approaches to engaging the questions of colonialism political independence political decolonization justice and
 freedom *White Supremacy, Racism and the Coloniality of Anti-Trafficking* Kamala Kempadoo,Elena Shih,2022-09-15
 Global efforts to combat human trafficking are ubiquitous and reference particular ideas about unfreedoms suffering and
 rescue The discourse has however a distinct racialized legacy that is lodged specifically in fears about white slavery women
 in prostitution and migration and the defilement of white womanhood by the criminal and racialized Other White Supremacy
 Racism and the Coloniality of Anti Trafficking centers the legacies of race and racism in contemporary anti trafficking work
 and examines them in greater detail A number of recent arguments have suggested that race and racism are not only visible
 but vital to the success of contemporary anti trafficking discourses and movements The contributors offer recent scholarship
 grounded in critical anti racist perspectives that reveal the historical and contemporary racial working of anti trafficking
 discourses and practices globally and how these intersect with gender citizenship sexuality caste and class formations and
 the global political economy *Global Social Work* Bala Nikku,2020-07-15 This edited book *Global Social Work Cutting
 Edge Issues and Critical Reflections* presents global social work expertise practical tools and an iterative and reflective
 process for developing a global social work pedagogy that advances deep disciplinary learning The authors offer the specifics
 of a justice based decolonizing global social work education and practice This book will be an asset to faculty communities
 interested in specializing in global social work The book offers hope that the faculty students and practitioners of social work
 develop an intercultural international cross border critical approach that further prepares them to meet the global standards
 of social work education and research and at the same time skillfully act advocate and transform global communities and
 their role in a globalized world *Implications of Marginalization and Critical Race Theory on Social Justice* Chandan,
 Harish C.,2023-07-19 Critical race theory is an emerging transdisciplinary race equity methodology that originated in legal
 studies and is grounded in social justice Critical race theory questions the very foundation of the liberal order including
 equality theory legal reasoning enlightenment rationalism and neutral principles of the constitutional law It deals with a
 broad perspective that includes economics history context group and self interest feelings and the unconscious Further study
 on this theory is required to understand its various implications across fields *Implications of Marginalization and Critical
 Race Theory on Social Justice* raises awareness of racial justice and social equity by discussing the history and future
 directions of critical race theory across disciplines The book considers how the theory can be applied in various areas such as
 education psychology political science and law Covering topics such as dehumanization social discrimination and

victimization this reference work is ideal for social psychologists lawyers political scientists researchers scholars historians academicians practitioners instructors and students *The Palgrave Handbook of Africa and the Changing Global Order* Samuel Ojo Oloruntoba, Toyin Falola, 2021-11-22 This handbook fills a large gap in the current knowledge about the critical role of Africa in the changing global order By connecting the past present and future in a continuum that shows the paradox of existence for over one billion people the book underlines the centrality of the African continent to global knowledge production the global economy global security and global creativity Bringing together perspectives from top Africa scholars it actively dispels myths of the continent as just a passive recipient of external influences presenting instead an image of an active global agent that astutely projects soft power Unlike previous handbooks this book offers an eclectic mix of historical contemporary and interdisciplinary approaches that allow for a more holistic view of the many aspects of Africa's relations with the world **A Companion to African History** William H. Worger, Charles Ambler, Nwando Achebe, 2018-11-28 Covers the history of the entire African continent from prehistory to the present day A Companion to African History embraces the diverse regions subject matter and disciplines of the African continent while also providing chronological and geographical coverage of basic historical developments Two dozen essays by leading international scholars explore the challenges facing this relatively new field of historical enquiry and present the dynamic ways in which historians and scholars from other fields such as archaeology anthropology political science and economics are forging new directions in thinking and research Comprised of six parts the book begins with thematic approaches to African history exploring the environment gender and family medical practices and more Section two covers Africa's early history and its pre colonial past early human adaptation the emergence of kingdoms royal power and warring states The third section looks at the era of the slave trade and European expansion Part four examines the process of conquest the discovery of diamonds and gold military and social response and more Colonialism is discussed in the sixth section with chapters on the economy transformed due to the development of agriculture and mining industries The last section studies the continent from post World War II all the way up to modern times Aims at capturing the enthusiasms of practicing historians and encouraging similar passion in a new generation of scholars Emphasizes linkages within Africa as well as between the continent and other parts of the world All chapters include significant historiographical content and suggestions for further reading Written by a global team of writers with unique backgrounds and views Features case studies with illustrative examples In a field traditionally marked by narrow specialisms A Companion to African History is an ideal book for advanced students researchers historians and scholars looking for a broad yet unique overview of African history as a whole **The Natural Border** Timothy Raeymaekers, 2024-02-15 The Natural Border tells the recent history of Mediterranean rural capitalism from the perspective of marginalized Black African farm workers Timothy Raeymaekers shows how in the context of global supply chains and repressive border regimes agrarian production and reproduction are based on fundamental racial hierarchies Taking the

example of the tomato a typical Made in Italy commodity Raeymaekers asks how political boundaries are drawn around the land and the labor needed for its production what technologies of exclusion and inclusion enable capitalist operations to take place in the Mediterranean agrarian frontier and which practices structure the allocation use and commodification of land and labor across the tomato chain While the mobile infrastructures that mobilize channel commodify and segregate labor play a central role in the naturalization of racial segregation they are also terrains of contestation and power and thus as The Natural Border demonstrates reflect the tense socio ecological transformation the Mediterranean border space is going through today *Ethnicity, Commodity, In/Corporation* George Paul Meiu, Jean Comaroff, John L. Comaroff, 2020-08-04 In the economics of everyday life even ethnicity has become a potential resource to be tapped generating new sources of profit and power new ways of being social and new visions of the future Throughout Africa ethnic corporations have been repurposed to do business in mining or tourism in the USA Native American groupings have expanded their involvement in gaming design and other industries and all over the world the commodification of culture has sown itself deeply into the domains of everything from medicine to fashion Ethnic groups increasingly seek empowerment by formally incorporating themselves by deploying their sovereign status for material ends and by copyrighting their cultural practices as intellectual property Building on ethnographic case studies from Kenya Nepal Peru Russia and many other countries this collection poses the question Does the turn to the incorporation and commodification of ethnicity really herald a new historical moment in the global politics of identity *Shadows of Empire in West Africa* John Kwadwo Osei-Tutu, Victoria Ellen Smith, 2017-09-06 These essays reexamine European forts in West Africa as hubs where different peoples interacted negotiated and transformed each other socially politically culturally and economically This collection brings together scholars of history archaeology cultural studies and others to present a nuanced image of fortifications showing that over time the functions and impacts of the buildings changed as the motives missions allegiances and power dynamics in the region also changed Focusing on the fortifications of Ghana the authors discuss how these structures may be interpreted as connecting Ghanaian and West African histories to a multitude of global histories They also enable greater understanding of the fortifications contemporary use as heritage sites where the Afro European experience is narrated through guided tours and museums *The Routledge Companion to African Diaspora Art History* Eddie Chambers, 2024-10-31 This is an authoritative companion that is global in scope recognizing the presence of African Diaspora artists across the world It is a bold and broad reframing of this neglected branch of art history challenging dominant presumptions about the field Diaspora pertains to the global scattering or dispersal of in this instance African peoples as well as their patterns of movement from the mid twentieth century onwards Chapters in this book emphasize the importance of cross fertilization interconnectedness and intersectionality in the framing of African Diaspora art history The book stresses the complexities of artists born within or living and working within the African continent alongside the complexities of Africa born artists who have migrated to other

parts of the world The group of international contributors emphasizes and accentuates the interplay between for example Caribbean art and African Diaspora art or Latin American art and African Diaspora art or Black British art and African Diaspora art The book will be of interest to scholars and students working in art history the various branches of African studies African American studies African Diaspora studies Caribbean studies and Latin American studies **The Black Girlhood Studies Collection** Aria S. Halliday,2019-12-17 One of the first volumes dedicated to exploring and developing theories of Black girls and girlhoods The Black Girlhood Studies Collection foregrounds the experiences of Black girls in Canada the US the Caribbean and the African continent This timely contributed volume brings together emerging and established scholars to discuss what Black girlhood means historically and in the 21st century and how concepts of race gender sexuality class and nationality inform or affect identities of Black girls From self care and fan activism to political role models and new media this interdisciplinary collection engages with Black feminist and womanist theory hip hop pedagogy resistance theory and ethnography Featuring chapter overviews glossaries and discussion questions this vital resource will evoke meaningful conversation and provide the theoretical practical and pedagogical tools necessary for the advancement of the field and the imagining of new worlds for Black girls **Race, Racism, and International Law** Devon W. Carbado,Kimberlé Williams Crenshaw,Justin Desautels-Stein,Chantal Thomas,2025-08-19 What would it look like to place race at the center of international legal scholarship From its inception in the 70s and 80s critical race theory s target was the field of law revealing it to be a repository for racial power This particular critique of law was explosive because of law s putatively apolitical status making it a unique site for an intellectual sit in that has forever changed the way that race and racism are understood in American society Several decades later as indicators of populism and white nationalism spread across North America and Europe critical race theory remains markedly absent from discourses in global affairs and international law This volume opens the door for CRT to enter the international sphere Featuring contributions from 30 of today s leading scholars from around the world **Race Racism and International Law** explains how the concept of racial difference sits at the foundation of the legal political and social structures of hierarchy that shape the contemporary global order Helmed by four pioneering experts two in CRT and two in international law the volume s approach targets regimes of power and violence that implicate racism capitalism and colonialism This volume lays the groundwork for urgent and provocative new modes of critique and analysis **The Vanishing Black African Woman: Volume One** Olumide, Yetunde Mercy,2016-10-06 Skin lightening is currently one of the most common forms of potentially harmful body modification practices in the world and African women are among some of the most widely represented users of skin lightening products The overall objective of this book is to provide up to date evidence based recommendations for reducing the global burden of cosmetic skin bleaching and preventing injuries related to skin bleaching in sub Saharan Africa and Africans in diaspora The book aims to offer an appraisal of all relevant literature on cosmetic bleaching practices to date focusing on any key

developments identify and address important medical public health issues as well as historical genetic psychosocial cultural behavioural socioeconomic political institutional and environmental determinants provide guideline recommendations that would help attenuate the burden and possibly eliminate the injuries related to skin bleaching discuss potential developments and future directions
