Breaking Free from Alcohol: A Guide to Sobriety and Self-Healing Yolanda Ward, The journey to sobriety is not an easy one. It is a path fraught with challenges, setbacks, and moments of doubt. But it is also a path filled with incredible potential for growth, transformation, and the discovery of a life beyond addiction. This book was written with the hope of providing individuals struggling with alcohol addiction the tools, knowledge, and inspiration they need to navigate their recovery journey. My own experiences with alcohol addiction and witnessing the struggles of others have deeply informed this work. I understand the pain, the shame, and the overwhelming feeling of being trapped. I also understand the hope, the resilience, and the remarkable capacity for healing that resides within each of us. *Breaking Free from Alcohol* is more than just a guide to sobriety; it is an invitation to rediscover yourself, to embrace your true potential, and to build a life filled with purpose, meaning, and joy. This book will provide you with practical strategies, emotional support, and a clear roadmap to recovery. It will help you understand the complexities of addiction, develop healthier coping mechanisms, build strong support systems, and ultimately break free from the chains of alcohol dependency.

A Developmentalist's Guide to Better Mental Health Lois Holzman, 2025-07-28 *A Developmentalist's Guide to Better Mental Health* offers mental health professionals a practical, philosophical, and playful guide for working relationally and developmentally with dilemmas, muddles, and the emotions that accompany them. The book centers around dozens of letters from writers asking the developmentalist for help with a wide range of issues. Organized by topics and themes including trauma, family, and relationship issues, living with uncertainty, workplace problems, and more, the letters and the developmentalist's thoughtful, thought-provoking responses lay out a wide variety of strategies for inviting clients into developmental journeys. When shared with clients, the letters and responses are a rich resource for therapeutic conversations. The book includes theoretical and conceptual background information as well as commentary from mental health professionals who already use the letters and responses in their practices. *A Developmentalist's Guide to Better Mental Health* is unlike other practical guides in both its format and in its focus on development, especially emotional and social development, as a creative activity.

Awakening Blackout Girl Jennifer Storm, 2020-10-06 In this honest and practical guide, rape survivor and victim advocate Jennifer Storm shares the information, tools, and resources she has gained from more than twenty years of personal and professional experience to help fellow survivors recover from co-occurring sexual trauma and substance use. In recent years, the MeToo and Time's Up movements have exposed the truth that many already knew: sexual violence, victimization, and rape culture are real, pervasive, and causing widespread trauma for millions of survivors. This newfound visibility is also shedding light on the lack of resources available for victims to cope and heal from their pain. Perhaps it's not surprising that many turn to whatever coping mechanisms are close by, which often include alcohol, other drugs, and unhealthy behaviors. How can people in recovery from both sexual trauma and substance use heal in a place where victim-blaming and addiction stigma collide? Jennifer Storm is

living proof that there is hope In her memoir *Blackout Girl* she shared her story and showed survivors that they are not alone In *Awakening Blackout Girl* Jennifer goes further by providing the road map she used to wake herself up from the drug fueled numbness that was killing her and to achieve a fulfilling life of recovery and advocacy With more than twenty years of experience helping other victims through the criminal justice system Jennifer knows what survivors face In this guide she provides the exercises tools and wisdom they need to heal While covering crucial subjects ranging from shame and self harm to sex and relationships Jennifer s message is this Neither your pain nor your offender nor anyone else who doubts your strength gets to finish your story You have the power to write your ending You can survive you can heal and you can thrive

Followed Amanda Bucci,2023-06-06 Here s the go to book for content creators to navigate what it truly means to have a platform putting yourself out there letting go of what others think and claiming the power your authentic self has to offer the world Since the boom of social media in the mid 2000s tens of millions of people have started their own platforms in hopes of creating success on their own terms But with great visibility comes great vulnerability We become riddled with self doubt and trapped performing a version of what they believe will be acceptable to others optimized for more external approval and algorithmic success What if the mere act of being followed including the criticism judgment and expectation social media creates could actually become a tool for your personal growth Enter *Followed The Content Creator s Guide to Being Seen Facing Judgment and Building an Authentic Personal Brand* By embracing self discovery through self expression you can learn to see exposure as an opportunity for personal development and break free from the imaginary boxes that were always too small for you anyway As a content creator and well known business and life coach Amanda Bucci has dealt with imposter syndrome oceans of criticism and multiple identity crises trying to fit into a box Today she s successfully pivoted her brand to stay aligned with her purpose having coached hundreds of clients dozens of companies and thousands of community members in their journeys of creating success while staying authentic In *Followed* she shares her unique effective process to Find your unique niche without feeling imprisoned by your online persona Overcome your fear of judgment imperfection and rejection Use exposure as a chance to explore and grow Decrease your social media related stress and anxiety Stop comparing yourself to others and define success on your own terms Empowering perspective shattering and validating *Followed* proves that even on social media it is never necessary to sacrifice self for success
