Small Miracles Woody VanKirk, 2018-04-24 If you survived a plane crash without a scratch you would surely say it was a miracle Yes it would be quite a miracle But what if you fell down the stairs and survived without a scratch What would that be Good luck Why wouldn't that be a miracle A small miracle This is about seven cats This is also about miracles Small miracles which happened to these seven cats and how the affect of these miracles helped lead the writer back to God and the path to salvation Do you agree with the writer that there are miracles here or just good luck and coincidences It's for the reader to decide While reading enjoy the feline anecdotes

Small Miracles A. C. "Pete" Peters, 2007-06 What Christian hasn't questioned their faith in God at some point during their lives Most people accept their faith blindly as children due to parental influence and Pete Peters was no exception An automobile accident at age sixteen changed everything Peters was speeding in a hilly area when his 1951 Ford convertible careened off a steep cliff and crashed one hundred feet below causing his younger brother David to suffer fatal injuries And so began Peters first question How can there be a God that allows innocent people to suffer and die for no reason In later years he witnessed family trauma senseless war famine two divorces and other atrocities From his point of view there was no God to care A self proclaimed intellectual atheist Peters still read about and discussed faith and over the years devoted much thought as to why he felt God logically could not exist After many small miracles eventually occur in his life Peters finally realizes that faith is a gift that is only given to those ready to accept it Peters tells his story in such a compelling and personal way that he will help anyone who is spiritually confused find their way back to God
