Planning for Learning through Recycling Rachel Sparks Linfield, 2012-11-08 Plan for six weeks of learning covering all six areas of learning and development of the EYFS through the topic of recycling The Planning for Learning series is a series of topic books written around the Early Years Foundation Stage designed to make planning easy This book takes you through six weeks of activities on the theme of recycling Each activity is linked to a specific Early Learning Goal and the book contains a skills overview so that practitioners can keep track of which areas of learning and development they are promoting This book also includes a photocopiable page to give to parents with ideas for them to get involved with their children's topic as well as ideas for bringing the six weeks of learning together The weekly themes in this book include what we can recycle and recycling paper clothes and toys

There Goes the Bride Holly McQueen, 2011-05-12 Polly Atkins is getting married And her older sister Bella couldn't be more excited Not only will Polly be home after five years in New York but she's coming back to marry the most perfect man on the planet Dev Dresses cake first dance Bella's looking forward to getting stuck into the arrangements Polly's best friend Grace is just as excited She's can't wait to walk down the aisle behind her childhood ally especially as the stylish Polly wouldn't dream of dressing her bridesmaids in anything but the best which will make a welcome change to the mum wear she's adopted since her second child was born The only person who doesn't seem to be bursting with enthusiasm is Polly Which is why before things can get any more chaotic she calls the whole thing off And there's no way she's going to tell them why Some secrets are best kept hidden But she's reckoned without Grace and Bella who are determined to get Polly and Dev back together if it's the last thing they do After all solving someone else's problems has got to be better than dealing with their own

50 Fantastic Ideas for Co-Regulation Kerry Murphy, 2024-04-25

The 50 Fantastic Ideas series is packed full of fun original skills based activities for Early Years practitioners to use with children aged 0-5 Each activity features step by step guidance a list of resources and a detailed explanation of the skills children will learn Creative simple and highly effective this series is a must have for every Early Years setting

Co-regulation is the process when children develop the ability to manage emotions responses and impulses both in mind and body self-regulation through connection with nurturing and reliable caregivers Children need to understand their own feelings and those of others and learn to regulate their behaviour accordingly One of the key ways children learn to self-regulate is through co-regulation With modelling support and nurture practitioners can learn to co-regulate alongside the children so that they can develop those important skills This dip in and out guide will help practitioners provide the strongest foundations for children and to give them the best emotional start in life It provides meaningful and inclusive ideas for co-regulation that can be embedded into everyday practice and be used for a broad range of emotional needs without being tokenistic These practical and easy to resource ideas are expertly formulated to support and develop children's self-regulation skills
