Lunch Is for Losers Thomas F. Kistner, 2001-01-02 Every morning the world wakes up and absolutely nothing happens until someone sells something to somebody was the favorite shibboleth of Rudy Kirsch successful entrepreneur and owner and founder of Dynograph Security Systems and Amalgamated Development His uncanny ability to understand sales types as he called salesmen and sales managers and his facility for recognizing talent and cutting through the smoke screen of empty glibness often proffered by mediocre and failed sales types served him well The first step in becoming a successful salesman is recognizing you have to work your ass off and that gift of gab has very little to do with it he would say often in frustration This ability enabled Kirsch to put together a team of three very talented people and ask that they save what was left of his empire namely Dynograph Security Systems Amalgamated was established by Rudy ten years earlier when he became bored with Dynograph and left it in the incompetent hands of Mitch Feldman and his brother in law Bernie Klein Now Rudy was in big trouble up to his ears in debt both personal and business mostly as a result of the collapse of Amalgamated Development one of the largest and most successful Florida home site sales organizations Changes in the tax codes as well as much tougher administrative rules and regulations adopted by a variety of federal regulatory agencies all but killed the Florida land sale business Rudy had no choice but to roll up his sleeves and reassume command at Dynograph He convinced Chet

Landers his dynamic and incredibly successful vice president of sales at Amalgamated to not only join him but to accept the challenge of doubling sales at Dynograph in twelve months or less Rudy had grown to admire Chet both as a man and as a manager and gave him carte blanche to straighten out the mess created by Mitch and Bernie clean house and right the Dynograph ship and do it quickly or all would be lost Cast of characters Steve Holiday From washing machine repairman to legendary sales manager at Dynograph Chet Landers Football star war hero actor TV icon retirement consultant incredible motivator cleaned house and saved the day at Dynograph Got rid of the vipers Ted Sternweiss Left his South Bronx upbringing behind him except for a terrific left hook added a new dimension to sales at Dynograph Rudy Kirsch Understood sales types Was a builder the driving force behind it all Became Chet Landers father many times Selma Kirsch Hated it all Knew about Debra Debra Remington Rudys loyal executive assistant and lover of ten years Skippy Leonard Played trumpet for Arturo Toscanini and worked for Rudy Kirsch Brought Chet Landers to Amalgamated Development to sell home sites in Florida Claude and Nadine a unit at an Amalgamated Development sales dinner David Frost Teds protégé sales super star Friendship jeopardized in confusion of success Rose Holiday Jersey girl Shows wisdom and insight near the end Howie Weinfeld A different kind of salesman Had secret weapon Kevin Boyle Treachery was his middle name Dave Gordon He did it his way He trusted no one Abby Sternweiss Of the Montgomery Alabama Chennaults Mitch Feldman President of Dynograph Gave Bernie Klein a free hand Bernie Klein Created a vipers nest at Dynograph while Rudy was away He and Mitch loved it John Sullivan Viper Irv Norman Viper Don Vorhees Viper Meyer Chrystal Viper Sam Rizzo Not quite a Viper A *The Men Who Said No* Conrad Riker, 101-01-01 Trapped in a World That Hates You Unleash the Unapologetic Truth Are you tired of being shamed for your strength while society demands you pay for its weakness Sick of divorce courts branding you a wallet and schools turning your son into a criminal Ready to burn the feminist rulebook and lead like evolution designed you Biological Truth Bombs Expose the equality myths with science feminists fear Divorce Proof Your Life Escape the marriage plantation s financial slavery Toxic No Triumphant Why women crave masculinity they publicly demonize Smash Gynocracy Take back institutions hijacked by female supremacy Rescue Your Son Fix education s war on boys before it s too late Beta to Alpha Rise from the friend zone to the top 20% women chase Fatherhood Power Stop the crisis rotting society s core Brotherhood or Die Rebuild the male spaces that fuel unstoppable men If you want to annihilate woke tyranny protect your legacy and live as a free respected man buy this book today Your throne awaits **The Wealthy Way** Olutayo Thomas, 2024-11-08 Embark on a transformative journey towards socio economic wellness and financial freedom with The Wealthy Way This unique process empowers individuals to develop knowledge awareness and an ideal personality while taking strategic actions to create a life of abundance free from money worries This book guides you in nourishing your mindset revitalizing your life and effectively managing your finances to kickstart strong wealth creation It provides life changing values for anyone determined to overcome money personality problems escape poverty and achieve true financial

The Accidental Investment Banker Jonathan A. Knee,2006-08-15 Jonathan A Knee had a ringside seat during the go go boom and bust decade and into the 21st century at the two most prestigious investment banks on Wall Street Goldman Sachs and Morgan Stanley In this candid and irreverent insider s account of an industry in free fall Knee captures an exhilarating era of fabulous deal making in a free wheeling Internet economy and the catastrophe that followed when the bubble burst Populated with power players back stabbers celebrity bankers and godzillionaires here is a vivid account of the dramatic upheaval that took place in investment banking Indeed Knee entered an industry that was typified by the motto first class business in a first class way and saw it transformed in a decade to a free for all typified by the acronym IBG YBG I ll be gone you ll be gone Increasingly mercenary bankers signed off on weak deals knowing they would leave them in the rear view mirror Once investment bankers prospered largely on their success in serving the client preserving the firm and protecting the public interest Now in the financial supermarket era bankers felt not only that each day might be their last but that their worth was tied exclusively to how much revenue they generated for the firm on that day regardless of the source Today most young executives feel no loyalty to their firms and among their clients Knee finds an unprecedented but understandable level of cynicism and distrust of investment banks Brimming with insight into what investment bankers actually do and told with biting humor and unflinching honesty The Accidental Investment Banker offers a fascinating glimpse behind the scenes of the most powerful companies on Wall Street
