Chapter II

1. Reread the account of Liberty 5-3000 on page 38. What character traits are revealed in this brief description?
 - And there it was that we saw Liberty 5-3000 walking along the furrows. Their body was straight and thin as a blade of iron. Their eyes were dark and hard and glowing, with no fear in them, no kindness and no guilt. Their hair was golden as the sun; their hair flew in the wind, shining and wild, as if it defied men to restrain it. They threw seeds from their hand as if they deigned to fling a scornful gift, and the earth was a beggar under their feet.

Character Traits:

 - **Different than the other women**
 - **Lives in the house of peasants**
 - **She has blonde hair and Equality finds her physically attractive**
 - **She is bold**
2. Find several examples of the ways in which this society tries to obliterate each individual's mind (and self) by quashing personal choices, desires, and values.
 - They are not allowed to pick their jobs (careers)
 - They ban the use of "I" it is a collective society (everyone should be the same)
 - Men are not allowed to think about women—only during the "Time of Mating"
 - Men are not allowed to talk to women—he breaks a law by talking to "The Golden One"
2. Contrast Equality with the rest of the men living in this society (pg. 46).
 - **He is NOT buying into society he is questioning his society**
4. Of the whole range of feelings possible to man (joy, excitement, anger, embarrassment, etc.), why is fear the prevalent emotion of this society?
 - **There are harsh punishments for this society . For example, if you use the word "I" you are put to death.**
5. Start a personal glossary in which you explain the following terms: the Great Truth, the Unmentionable Times, the Uncharted Forest, the Evils Ones, the Great Rebirth.
 - **The Great Truth:** the belief that human beings are not individuals but mere fragments of a whole. Individuality is UNREAL!
 - **The Unmentionable Times:** the days in the past when humans still possessed individual rights and political freedom. These days are considered evil. Humans were living for themselves and NOT others.
 - **The Great Rebirth:** the period where the unmentionable times end and the one Great Truth is taught. People are no longer individuals.
 - **The Uncharted Forest:** heavily wooded area just outside the city that extends many miles in distance. Many such unexplored forests range across the land and are believed to have grown over the ruins of the cities of Unmentionable Times.
