Romantic Thriller Series Vanessa Kier, 2016-06-27 Enjoy this edge of your seat series by romantic thriller author Vanessa Kier Immerse yourself in the adventure with six action packed stories of conspiracy betrayal and revenge Welcome to the world of The Surgical Strike Unit SSU a privately run special operations group It was founded by Ryker a Vietnam veteran to

handle the national security jobs that the government couldn't or wouldn't do. A government program attempted to turn men into superhuman soldiers and spies. Those who survived were barely human. Now key players want to revive the program. Join the operators of the SSU and the women they love on thrilling adventures as they work to stop a deadly and unstable army of superhuman soldiers from being unleashed on the world. The titles included in this volume include **VENGEANCE**. Niko Andros became a criminal to protect his family. He served his years in prison and now he's earning redemption, one mission at a time, with a secret military strike force. He thought his family was safe, but when an old enemy resurfaces, his aunt is caught in the crossfire, and he'll do anything to save her. Double crosses lurk around every corner. Niko's boss has him playing babysitter for the whole team, including a brash young female agent who's only after vengeance and liable to get them all killed. New agent Jenna Paterson is too close to the mark, and her traumatic past threatens to ruin everything, including the growing attraction between them. Niko knows all the training in the world won't stop Jenna's demons from getting the better of her, but he refuses to lose the woman he's grown to love. But if she doesn't stop her quest for vengeance and learn to trust Niko's experience, Jenna's life won't be the only thing that's lost. Niko's heart is also in danger. **UNDERCOVER: A PREQUEL NOVELLA** not available for sale individually. In his quest for vengeance, he's turned himself into a criminal. Undercover agent Niko Andros can't let go of his anger over the hit that paralyzed his father. When the crime lord responsible, Jaime Alvarez, offers Niko a place in his organization, Niko accepts and dives into the criminal underworld. Niko plays the dutiful soldier, giving Alvarez the appearance of having turned away from his law-abiding family. Each sin Niko is forced to commit brings him closer to taking down his enemy and closer to the darkness he fears he'll never escape. This short bonus novella is approximately 15,000 words. It takes place before *Vengeance* and gives the backstory between Niko and Alvarez. Unlike *Vengeance*, this novella is suspense only, with no romance. **BETRAYAL**. An innocent woman is caught in the crosshairs of an international manhunt. Her only hope of escaping the jungle alive is the most wanted man on the planet. Accused of a murder he didn't commit, Kai Paterson has been on the run for years, looking for the proof he needs to clear his name. In the process, he's become worse than some of the criminals he's hunted. He'll never outrun his nightmares or his guilt, but if he can save archeologist Susana Dias, maybe he can balance the scales and wash some of the blood from his hands. The government wants her for the same reason he needs her: she holds the key to his salvation and their downfall. The unlikely pair teams up, and they race through the jungle, staying only steps ahead of the mercenaries closing in on them. When the stakes rise even higher, Kai is forced to make a choice: innocent lives or the life of the woman he loves. **RETRIBUTION**. A shadowy government organization is about to unleash a secret weapon against an innocent population. Only one man can stop the destruction, but first he has to remember her. Rafe Andros had everything he wanted until a mission went horribly wrong. Now he's not just a prisoner; he's the subject of a brutal experiment that's slowly eroding everything that makes him human. He can't remember much. The mental brainwashing makes him attack anyone he knew or loved in the past. Anyone except her. His only hope for

salvation is Dr Gabby Montague a scientist tricked into working on a formula to turn soldiers into mindless killing machines Rafe fights to break free of the mind control Fights to find his way back to Gabby Fights to survive the most dangerous mission of his life If he doesn't succeed an army of superhuman soldiers will be unleashed Thousands of innocents will die and he'll lose Gabby forever PAYBACK A change of conscience leads a cold hearted spy to risk his life for the woman he never thought he would want Ruthless and arrogant CIA agent Mark Tonelli has always been driven by two things The need to avenge his father's death and the desire to protect his country at any cost But when he joins the black ops group Kerberos Mark discovers that there are some lines even he won't cross Kerberos is changing honorable men into mindless killing machines Mark's long dead conscience roars back to life and he puts his vengeance on hold to save the woman he's falling for and her brother before it's too late Faith Andrews has tracked her brother to the Kerberos group The tenacious reporter never gives up She proves to the I only work alone CIA agent that he can't do this without her As Mark and Faith get closer to the proof they need to take down Kerberos they also draw closer to each other Mark finally learns the truth about who betrayed his father but getting revenge means abandoning his goal of taking Kerberos down Abandoning his promise to rescue Faith's brother And abandoning the woman he loves to the ruthless hunters who will kill to keep their secrets AFTERMATH His job is keeping national secrets Her job is to ferret them out Ryker head of the private security group that ended Kerberos discovers that not all of the men responsible were brought to justice Someone is trying to resurrect the program They will do anything to keep their involvement a secret including kill the reporter who wants answers Ryker's not allowed to give Investigative reporter Siobahn Murphy is chasing the hottest story of her life Officials in the highest levels of government supported a secret program that kidnapped men and turned them into superhuman soldiers Now those officials are attempting to cover their tracks and bury Siobahn with their secrets but she won't go down without a fight As they race toward the truth together Ryker finds himself falling for the sexy headstrong reporter When Siobahn is attacked he has to make the choice to protect the woman he loves or protect his nation's secrets If you like gritty edge of your seat action government conspiracies and characters forced to confront the darkness within themselves then you'll love Vanessa Kier's action packed SSU romantic thriller series Get The SSU Series Complete Box Set today to experience the adventure

The Mystery Box Eva Pohler, 2012-08-12. Is her neighbor a friend or a foe? Soccer mom Yvette Palmer lives an ordinary life in San Antonio, Texas, when a box is delivered to her by mistake and in taking it to its rightful owner, a crotchety neighbor named Mona, who shares her back fence, is drawn into a strange and haunting tale. Mona's ratty robe, mood swings, and secretive behavior all raise red flags, and Yvette is sure someone else is living there despite Mona's claim to live alone, but Yvette is unable to break away as she listens to how Mona transformed from a young college woman about to be married to the odd, reclusive ghost of a woman she is now. As Yvette listens to her neighbor's tale, she discovers a shocking connection but doesn't know whether Mona's come to help or to harm her and her family. A brilliantly compelling read. Perkins: It is extremely compelling, and I could not stop reading. This book is pure escapism and would make a brilliant film or mini series. I found it completely different to the usual thrillers that I read, but I really enjoyed it and would not hesitate to recommend it to others. A. L. H.: This is an exciting book that will definitely take you out of your ordinary day-to-day routine. Linda Brooks: This was a really unique and well-done mystery thriller. I liked everything about the author's style and the way the mystery reveals itself. It's a story within a story, and it's quite enjoyable to read that way. Cid Herman: Wow, this book should be a movie. I enjoyed it and couldn't put it down. The suspense and intrigue in the story was page-turning and had me riveted. Now I have to read a cozy mystery to calm myself down. Goodreads Reviewer: People here is another edge of your seat, nail-biting, stay-up-all-night great read. Sonya: Goodreads Reviewer: A dark and surprising tale. If you are not into a book that you can't guess with a real twist at the end or not comfortable with dark subjects, it is not the book for you. K. Buell: Grab your copy to begin the terrifying adventure today.

WAR - Opposition: An Action-Packed Romantic Thriller Vanessa Kier, 2016-08-08. Enjoy this edge of your seat series by romantic thriller author Vanessa Kier. He hardened his heart to survive. But now the rules have changed. Now it's about more than survival. Now it's about her. Bush pilot Seth Jarrod is trapped in the complicated web of West African rebels. Obey every order or they kill his niece. Each mission they require strips away a piece of his soul, and he's getting awfully close to losing what he has left. Up and coming singer-songwriter Kirra Neilson is on her way to a benefit concert when her bus is attacked by rebels searching for stolen diamonds. All the passengers are being systematically searched and killed, and she's next in line. Using skills she promised herself she'd left in the past, Kirra slips her cuffs and escapes. But eluding armed men on foot is only possible for so long. Fate intervenes, and Kirra finds herself face-to-face with a man who makes her heart sing something she never thought she'd feel again. Together they must find a way to stay alive, save the people at the benefit concert, keep Seth's family safe, and keep the diamonds out of rebel hands. If you like

Dark Romance Thriller Spotlight Introduction

In today's digital age, the availability of Dark Romance Thriller Spotlight books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Dark Romance Thriller Spotlight books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Dark Romance Thriller Spotlight books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Dark Romance Thriller Spotlight versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Dark Romance Thriller Spotlight books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Dark Romance Thriller Spotlight books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Dark Romance Thriller Spotlight books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Dark Romance Thriller Spotlight books

and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Dark Romance Thriller Spotlight books and manuals for download and embark on your journey of knowledge?
