How to Promote Your Book Jan Yager, 2023-01-18 Writing a great book is the easy part Getting people to buy the book is wicked hard Jan's book shows you what promotion to do so you increase the possibility that your book becomes a bestseller Jeffrey Fox bestselling author How to Become a Rainmaker Being an author is 50% creative and 50% promotion Jan Yager's comprehensive and practical book How to Promote Your Book tells authors exactly what they need to know and do to promote their book I'm recommending it to all the authors I know including those whose books I share through my Bedside Reading program Jane Ubell Meyer CEO Bedside Reading former TV producer Good Morning America Entertainment Tonight WSJ TV Whether your book is being released through a commercial publisher or an academic press or you are self publishing it as the author you can and should play a crucial role in getting your title seen talked about and sold And while you may watch dozens of authors pitch their books on TV in social media and in bookstores they represent only a fraction of the writers who come out with new books each year What do they know that you don't They know what to do to get attention for themselves and more important for their books and as you will discover in book publishing veteran Jan Yager's How to Promote Your Book you can too The book is divided into three sections Part One begins with a look at promotion basics These include knowing what your book's marketplaces are who your audience is how the media is divided the elements involved in publicity and how to create an effective promotional timeline Once you understand the basics Part Two focuses on the ways to package and market yourself to the various book and media outlets It discusses putting together professional looking press releases and media kits It also explains how to obtain endorsements and reviews as well as how to generate speaking engagements and interviews with journalists bloggers and radio TV and podcast hopes Part Three provides a plan that covers the first three months of an author's publicity program from the day the book is formally released through all the media events that have been lined up Throughout the book you will find insets that answer important questions such as What are the real costs involved and Should I promote myself or hire a publicists Just as important the author includes a valuable resource guide that provides the names addresses and links to many of the key places covered in the book Jan Yager has enjoyed a fabulous career as both a best selling author and a publisher She has been interviewed by many of the top shows on TV and radio In How to Promote Your Book she lets you in on what she has done both for herself and for her authors to open the door to effective publicity

How to Self-Publish Your Book Dr. Jan Yager, 2019-08-07 A new world has opened to writers who wish to have their words turned into finished books With technological advances in typesetting printing distribution and sales self publishing has become a reality But while converting your writing into a commercially available title may sound relatively easy based upon the claims of some companies that offer this service there are many important considerations you should be aware of before going to press Publishing expert Dr Jan Yager has created an easy to follow guide that will take you from a book's conception and writing to its production and sales Whether your work is fiction or

nonfiction How to Self Publish Your Book offers sound and proven advice at every turn enabling you to avoid common pitfalls along the way to becoming a self published author The book is divided into three parts Part One takes you through the initial manuscript preparation setting your goals writing sequencing editing and proofing as well as creating a business plan for your book s eventual release Part Two focuses on the actual production of your book It explains the importance of cover and interior design what you need to know about producing physical books and e books and how to turn your title into an audiobook Part Three provides key information on how to market and sell your book subjects that are crucial to a title s success but of which most writers have very little understanding Also included is a valuable resource section that guides you to websites which offer essential information on self publishing service providers including complete self publishing companies as well as freelance editors proofreaders printers distributors marketers and publicists Today self publishing workshops and lecturers charge hopeful writers hundreds of dollars promising to turn their self published books into bestsellers The fact is that your book s chance of success starts at its origin not with the finished product However you choose to produce your book whether through a self publishing company or through separate services here is a complete road map to what lies ahead based not on hype or wishful thinking but on Dr Jan Yager s lifetime of experience in the world of publishing

[Madani's Best Game](#) Fran Pintadera, 2022-10-11 A heartfelt book featuring a neighborhood soccer team and its determined young star who has a secret plan even more impressive than his bicycle kicks No one plays soccer like Madani When the ball lands on his bare feet the whole town stops to watch Even Madani's mother still sewing the day's work at home can hear the crowds cheer when he

scores His teammates wonder what their best player could do if he only had a proper pair of cleats As Madani saves up money bit by bit his team s rivalry match approaches Maybe he ll have new cleats in time for the big day Or maybe Madani has a different goal in mind Told with gentle humor and lively illustrations Madani s Best Game is a refreshing story about the joys of sports teamwork and family

The Women of the Far Right Eviane Leidig, 2023-09-19 On mainstream social media platforms far right women make extremism relatable They share Instagram stories about organic foods that help pregnant women propagate the pure white race and post behind the scenes selfies at antivaccination rallies These social media personalities model a feminine lifestyle at once promoting their personal brands and radicalizing their followers Amid discussions of issues like dating marriage and family life they call on women to become housewives to counteract the corrosive effects of feminism and champion the Great Replacement conspiracy theory which motivated massacres in Christchurch El Paso and Buffalo Eviane Leidig offers an in depth look into the world of far right women influencers exploring the digital lives they cultivate as they seek new recruits for white nationalism Going beyond stereotypes of the typical male white supremacist she uncovers how young attractive women are playing key roles as propagandists organizers fundraisers and entrepreneurs Leidig argues that far right women are marketing themselves as authentic and accessible in order to reach new followers and spread a hateful ideology This insidious and highly gendered strategy takes advantage of the structure of social media platforms where far right women influencers content is shared with and promoted to mainstream audiences Providing much needed expertise on gender and the far right this timely and accessible book also details online and offline approaches to countering extremism
