Storm of Shadows Madeline Freeman, 2021-01-25 The world is unraveling around me and it's all my fault. A single choice during the Bloomington protests set everything into motion. By choosing to protect the demons I've tipped the scale and my world will never be the same. Nate's wedding is two weeks away. Staying at the chancellor's mansion gives me access to classified information but some secrets should stay buried. Allies come from unexpected places and enemies abound around every corner. Unrest among ethereals grows every day but there's nothing I can do. Trapped in the chancellor's home. Even if I could do something it's likely my intervention will only make things worse. How can I continue on my mission when I'm not sure who I am anymore? How can I help anyone when everything I touch turns to ash? My name is Eden Everdell. Saving my people has always been my mission but I never expected to be the one who needed to be saved. Enter a fast-paced world of angels and demons. Click to buy *Storm of Shadows* today. Please note this is a follow-on series to the paranormal suspense *Demon Spring* trilogy and should be read in order. Description from the first book *Reawakening*: From award-winning author S. Usher Evans comes a smashing continuation of her bestselling modern fantasy series. Picking up six months after the end of *Redemption*, the final book in the *Demon Spring* trilogy, *Reawakening* will leave readers guessing alongside our main characters as they explore the new reality of demons and humans. Demons still walk amongst us but ever since Bael, king of the monsters, was killed in the Great Demon War, things have been a little topsy-turvy for demon hunters Jack Grenard and Cam Macarro. Jack, alongside the now human Anya, has been living a semi-retired life in Seattle as demon hunting vigilantes. But Anya continues to spiral, unsure what to make of her life now that Bael is no longer controlling it. Across the Pacific, Cam Macarro balances her job as the Director for Weapons Development for the International Coalition for Demon Management while secretly dating Lotan, the prince of the wolf shifters/Nox demons. Lotan wants to take things to the next level but Cam is dragging her feet. That is until Lotan is mysteriously kidnapped by unknown forces. Cam recruits Jack and Anya to help bring Lotan back but the odds are stacked against them in an increasingly dangerous demonic world. But when Anya hears a rumor she might be able to reclaim her former glory, she sets the three of them on a world-spanning dark fantasy adventure that will keep readers guessing until the very end.

Rise of Rebellion Madeline Freeman, 2022-02-21 Everyone thinks we're dead. But the guilty party is not who it appears. One night changed our entire world and no one knows how to set things right. I'm not even sure what that is anymore. Set amid opposing factions, the Keepers must provide unity and leadership but it's hard to

steer when you can't see the road ahead The only thing for certain is doing nothing isn't an option With each passing day it's clear the demons aren't the only ones who will suffer under the new chancellor's rule My fight is bigger than me and my people If we're going to save the kids I need to unite all the different ethereals Easier said than done My name is Eden Everdell and if I can't rise to meet this challenge our rebellion has already lost Google Subjects academy romance books young adult urban fantasy young adult paranormal romance academy books academy fantasy academy fiction young adult academy romance angels and demons urban fantasy romance arranged marriage secret identity academy series
