The King Who Teaches: St. Matthew's Royal Curriculum Eugene E. Lemcio, 2023-07-12 This unique work is a teaching learning guide to help instructors and students to determine What makes Matthew Displays followed by leading questions and statements help one to determine how the Evangelist adopted adapted and arranged his sources both sacred and secular in light of his convictions about and experience of Jesus Comparing and contrasting the first Gospel with the other Synoptics and occasionally with John also contributes to identifying his concerns Neither standalone nor comprehensive in its intention method or scope this work of pedagogy is meant to be used and not simply read alongside rather than instead of standard tools such as introductions and commentaries Although no knowledge of biblical languages is

presupposed references to Matthew's own use of Greek and the Greek of his Jewish Scriptures also enrich this study A *Dialogue between Haizi's Poetry and the Gospel of Luke* Xiaoli Yang, 2018-05-01 In *A Dialogue between Haizi's Poetry and the Gospel of Luke* Xiaoli Yang offers a conversation between the Chinese soul searching found in Haizi's 1964-1989 poetry and the gospel of Jesus Christ through Luke's testimony. It creates a unique contextual poetic lens that appreciates a generation of the Chinese homecoming journey through Haizi's poetry and explores its relationship with Jesus Christ. As the dialogical journey, it names four stages of homecoming: roots, vision, journey, and arrival. By taking an interdisciplinary approach, literary study, inter-cultural dialogue, and comparative theology, Xiaoli Yang convincingly demonstrates that the common language between the poet Haizi and the Lukan Jesus provides a crucial and rich source of data for an ongoing table conversation between culture and faith **Come Early, Stay Late** Dr. Jay Slife, 2024-06-05 Within the divine plan for humanity, which is the Kingdom of God, everybody who calls on the name of Jesus has a place. Everyone has a part, a responsibility, an importance in His Kingdom, waiting for them to discover and walk out. This truth, when engaged and followed, brings purpose and value to you. It gives precise definition to who you are according to the Lord and King of it all. It is powerful and will become your lifeblood. All this happens in a healthy small group in someone's living room that never could and never does happen on a Sunday morning. I am writing this book for two reasons. One has to do with the burden to disciple those who know Jesus to the deepest level possible and help them give that away to others so that they too may get the message of Jesus and live it out. The other reason is to help leaders at any level to make the shift, the transition to the New Testament pattern of ministry, which is clearly small group ministry. This book is about small groups, about effective and life-giving leadership and ministry in that context. But it is also about helping good people who are stuck in a system they did not create. They just got stuck in it somewhere along the way. And now they don't know what or where they are, and most of all, who they are. I get it because I've been through it. I thought it was the right way. I was taught it was the right way. There are answers from Scripture, from the Teacher. Yet the problem seems to continue to worsen. Let's change that. Let's learn to get much closer to the Creator and align with him as he changes that Revelation: Tribulation and Triumph Practical Christianity Foundation, 2022-09-08 The Book of Revelation rings with familiar imagery and verses, but what does it tell us about the last days? Despite the countless interpretations available, it often seems as though understanding the last days has never been more difficult. Now, through this easy-to-read devotional commentary, Revelation will come alive as you venture into the powerful and dynamic message of this prophecy and diligently study the Second Coming of Jesus Christ.

Exploring the Letters of John & Jude George R. Knight, 2009 The letters of John and Jude are a wake-up call. False teachers had infiltrated the church and introduced secular reasoning in place of apostolic teachings. John and Jude wrote to their congregations not only to warn the faithful against the impostors but to emphasize true spirituality in the face of error and apostasy. It's no surprise then that these four letters are of the utmost relevance to Christians today. John's first and

second letters deal with issues central to a genuine Christian faith and life while the third provides a snapshot of the dynamics of at least one congregation in the A D 90s Jude confronts many of the same issues in his letter including the immorality that results from a denial of Christ This user friendly devotional commentary divides the entire text of these four letters into bite sized passages using a new translation by the author Each passage is followed by the exegetical meaning as well as the practical application for the lives of twenty first century believers Small study groups and individuals alike will benefit from this format and better understand Gods timely and very personal message

A Definition and Critique of Postmodernism Bruce Proctor, 2012 Bruce A Proctor is a native of Dallas Texas but spent most of his youth growing up in Los Angeles California He graduated from Oklahoma Christian College B A in 1973 from Dallas Theological Seminary Th M in 1981 and Louisiana Baptist University Ph D in 2011 Bruce has held various ministerial positions including pastor youth counselor and pastor prison ministry leader and college professor Bruce has taught Bible Exposition Theology Old and New Testament history and Church History at various Christian schools Southern Bible Institute D Edwin Johnson Bible Institute both in Dallas TX True Vine Baptist Bible Institute in Spencer OK and at the Ministry Training Institute an extension of Oklahoma Baptist University in Shawnee OK Bruce and his wife Patricia reside in San Antonio Texas They have eight adult children Postmodernism is difficult to define because it rejects absolute meaning However I found it worth trying to define it by looking at other authors attempts to define it It was easier for me to describe than define it Much discussion is also given to the definition of the emergent church movement including its fundamental tenets and marks along with signs of drifting toward it Next the idea of postmodernism is weaved into the description of condemned mankind according to Romans 1 18 32 The description given is clearly relevant to the postmodern mindset as men who suppress the truth in unrighteousness verse 18 In my conclusion I discuss the power of truth and the loss of truth due primarily to a loss of focus However in the Person of Jesus Christ Truth arose from the dead and marches on victoriously despite the postmodern spirits of delusions
