Between Power and Irrelevance George E. Mitchell, Hans Peter Schmitz, Tosca Bruno-van Vijfeijken, 2020 Geopolitical shifts increasing demands for accountability and growing competition have been driving the need for change within transnational nongovernmental organizations TNGOs As the world has changed and TNGOs ambitions have expanded the roles of TNGOs have shifted and their work has become more complex To remain effective legitimate and relevant in the future necessitates organizational changes but many TNGOs have been slow to adapt As a result the sector s rhetoric of sustainable impact and social transformation has far outpaced the reality of TNGOs more limited abilities to deliver on their promises Between Power and Irrelevance openly explores why this gap between rhetoric and reality exists and what TNGOs can do individually and collectively to close it George E Mitchell Hans Peter Schmitz and

Tosca Bruno van Vijfeijken argue that TNGOs need to change the fundamental conditions under which they operate by bringing their own forms and norms into better alignment with their ambitions and strategies This book offers accessible future oriented analyses and lessons learned to assist practitioners and other stakeholders in formulating and implementing organizational changes Drawing upon a variety of perspectives including hundreds of interviews with TNGO leaders firsthand involvement in major organizational change processes in leading TNGOs and numerous workshops training institutes consultancies and research projects the book examines how to adapt TNGOs for the future *The Future of Nature* Libby Robin,Sverker Sorlin,Paul Warde,2013-10-22 This anthology provides an historical overview of the scientific ideas behind environmental prediction and how as predictions about environmental change have been taken more seriously and widely they have affected politics policy and public perception Through an array of texts and commentaries that examine the themes of progress population environment biodiversity and sustainability from a global perspective it explores the meaning of the future in the twenty first century Providing access and reference points to the origins and development of key disciplines and methods it will encourage policy makers professionals and students to reflect on the roots of their own theories and practices
