St Augustines Doctrine Of Eternal Punishment His Biblical And Theological Argument:

St. Augustine's Doctrine of Eternal Punishment Dongsun Cho,2010 Synopsis The thesis of this work is that Augustine's doctrine of eternal punishment is not the result of his employment of the Platonic concept of the immortal and divine soul but the product of his theological conviction based on sound exegetical conclusions that the Bible clearly teaches the eternity of hell

The Justice and Goodness of God Thomas R. Schreiner,2024-04-25 Understanding God's Righteousness through His Final Judgment of Sin The reality of God's ultimate punishment is central to the gospel Only by facing sin's devastation can believers fully grasp the beauty of their salvation and help unbelievers confront their need for forgiveness Unfortunately many Christians and Bible scholars neglect God's final judgment In his book *The Justice and Goodness of God* theologian Thomas Schreiner offers a comprehensive biblical analysis of eternal destruction Explaining that final judgment doesn't contradict God's goodness but verifies and displays it he examines themes of sin death and redemption in the New Testament and other passages of Scripture With helpful personal and theological application this brief guide helps readers see how God's judgment is anchored in his holiness justice and righteousness Readers will see that God's judgment isn't bad news but good news Life doesn't make sense without it and salvation shines brighter against the backdrop of God's judgment Brief yet Insightful Examines themes of sin death mercy and holiness with helpful Scripture references and summaries in each chapter Rich Biblical Analysis Studies eternal destruction as described in the Gospels the Pauline Epistles and throughout Scripture Ideal for College and Seminary Students *St. Augustine : On Christian Doctrine* Saint Augustine,St Augustin,Saint Augustine of Hippo,2018-10-19 One of Saint Augustine's most important contributions to Christian Theology *On Christian Doctrine* is essential reading for any serious believer interested in learning more about faith in God The four books of St Augustin *On Christian Doctrine* *De Doctrina Christiana* iv libri are a compend of exegetical theology to guide the reader in the understanding and interpretation of the Sacred Scriptures according to the analogy of faith The first three books were written ad 397 the fourth was added 426 It is the first and best patristic work on biblical Hermeneutics and continued for a thousand years together with the Prefaces of Jerome to be the chief exegetical guide Although it is superseded as a scientific work by modern Hermeneutics and *Critical Introductions to the Old and New Testaments* it is not surpassed for originality depth and spiritual insight *Doctrine of the Eons* Paige-Patric J. D. Samuels,2019-06-13 *The Doctrine of the Eons* God's Immutable Plan is an account of how God will bring about the salvation and reconciliation of all mankind Each chapter provides a theological account of how this will be accomplished including dispelling common myths about God and focusing on the meaning of the word immutable This leads to a discussion of the Hebrew and Greek definitions of eon and eternal and we discover that neither the Old nor the New Testament uses the word eternal Eternal tends to refer to an indefinite amount of time whereas eon is more definite the latter term is primarily used when the Bible talks about the end times Finally the doctrine of universal salvation is presented arguing that God will have

all men be saved and that he will eventually reconcile all creation **The Devil's Redemption : 2 Volumes** Michael J. McClymond, 2018-06-05 2018 Book Award Winner The Gospel Coalition Academic Theology A Choice Outstanding Academic Title for 2019 Will all evil finally turn to good or does some evil remain stubbornly opposed to God and God's goodness Will even the devil be redeemed Addressing a theological issue of perennial interest this comprehensive book in two volumes surveys the history of Christian universalism from the second to the twenty first century and offers an interpretation of how and why universalist belief arose The author explores what the church has taught about universal salvation and hell and critiques universalism from a biblical philosophical and theological standpoint He shows that the effort to extend grace to everyone undermines the principle of grace for anyone **NPNF1-02. Catholic Eschatology and Universalism. An Essay on the Doctrine of Future Retribution Henry Nutcombe Oxenham, 1876

The Saturday Review of Politics, Literature, Science and Art, 1872 **Heresy and Dissent in the Carolingian Empire**

Matthew Bryan Gillis, 2017 Heresy and Dissent in the Carolingian Empire recounts the history of an exceptional ninth century religious outlaw Gottschalk of Orbais Frankish Christianity required obedience to ecclesiastical superiors voluntary participation in reform and the belief that salvation was possible for all baptized believers Yet Gottschalk a mere priest developed a controversial Augustinian based theology of predestination claiming that only divine election through grace enabled eternal life Gottschalk preached to Christians within the Frankish empire including bishops and non Christians beyond its borders scandalously demanding they confess his doctrine or be revealed as wicked reprobates Even after his condemnations for heresy in the late 840s Gottschalk continued his activities from prison thanks to monks who smuggled his pamphlets to a subterranean community of supporters This study reconstructs the career of the Carolingian Empire s foremost religious dissenter in order to imagine that empire from the perspective of someone who worked to subvert its most fundamental beliefs Examining the surviving evidence including his own writings Matthew Gillis analyzes Gottschalk s literary and spiritual self representations his modes of argument his prophetic claims to martyrdom and miraculous powers and his shocking defiance to bishops as strategies for influencing contemporaries in changing political circumstances In the larger history of medieval heresy and dissent Gottschalk s case reveals how the Carolingian Empire preserved order within the church through coercive reform The hierarchy compelled Christians to accept correction of perceived sins and errors while punishing as sources of spiritual corruption those rare dissenters who resisted its authority *The Doctrine of Annihilation in the Light of the Gospel of Love* James Baldwin Brown, 1875 [A Dictionary of Biblical Tradition in English Literature](#) David Lyle Jeffrey, 1992 Over 15 years in the making an unprecedented one volume reference work Many of today s students and teachers of literature lacking a familiarity with the Bible are largely ignorant of how Biblical tradition has influenced and infused English literature through the centuries An invaluable research tool Contains nearly 800 encyclopedic

Lake of Fire - Hope for the Wicked One Day? - Essays in First Christianity Jonathan Ramachandran,2019-01-01

Christ Centered Universalism has been a Hope in First Christianity among the earliest orthodox Christians as testified even as late in St Augustine of Hippo's infamous quote in that even he didn't call them as heretics but soft hearted Christians who did not deny Holy Scripture A form of Christian Universalism by Origen of Alexandria may have been condemned by a later council For protestants please take note that both St Augustine and that later council consists of members who Pray to Virgin Mary something which is absent from even Origen of Alexandria Therefore just because something is majority by later early Christianity it does not necessarily mean that it was First Christianity Doctrine In light of this we discuss various viewpoints quotes by Church Fathers and Ancient Christian Writings in support of this Hope Since the time lapse and loss of records to these First Christians being replaced by later Christianity is hard to trace or prove due to scarcity of evidences nevertheless we endeavour to present as much as we can including some rarely known quotes within Christian Universalism Hopefuls itself An example of a set of rare quotes which point to Christ Centered Universalism in this book which may not be popularly known is that by St Hillary of Poitiers the Champion of Trinity in the West and a set of interesting quotes likewise by St Ignatius of Antioch who was a direct disciple of St John the Apostle of Christ himself We see traces of such an understanding in a quote by St Justin Martyr toward the Wicked being made subject to obey God eventually as one child while St Ireneus of Lyons has a few interesting quotes especially those that relate to the Concept of Ages Aeons Olam to come where in a particular instance St Ireneus clearly shows that the strongest phrase ages of Ages refers to the subset ages out of a larger set of Ages implying limitedness Just like God of Abraham does not limit God to Abraham only the phrase God's Glory to the Age Aeon Olam singular need not limit God's Glory to one Age only but may be highlighting it for that Age unknown long time period We do not need to teach it as a 100% certain doctrine but we may hope for it as the Bible Verses can also be understood consistently to present this Hope in some Way One Day we will know and all things are possible with God Who Alone Decides Peace to you *Precious Enemy* Toby Jennings,2017-04-17 King Solomon asserted love is as strong as death Song of Solomon 8:6 Solomon the wisest of all Israel's kings recognized that while every human would eventually succumb to death death is not ultimate in power The God whose essence is love designed and created both human life and death as instruments for the display of his own splendor and purposes Neither human life nor death then can deviate from God's ultimate purpose and good for the creature made in his own image Biblically death serves as the perfect foil to mark both the immeasurable value of human life and at the same time the relatively limited value of it Rather than either worshipping or desecrating this finite gift of human life we can value it rightly and also worship the God who in his literally infinite wisdom gives and takes away life in accord with his good and gracious purposes **The Church of England Pulpit, and Ecclesiastical Review** ,1883
