Hardcover Youtube Book Review:

YouTube for Authors Dale L. Roberts, 2025-06-07 You've thought about using YouTube but the process feels overwhelming and unclear. This book simplifies every step. You've heard YouTube can help authors reach more readers, sell more books, and build a lasting platform, but figuring out how to get started can feel overwhelming. Between the gear, the editing, and the algorithm, many writers give up before they even begin. This book is here to change that. In *YouTube for Authors*, Dale L. Roberts shares the exact steps he used to grow multiple monetized channels, reach over 120,000 subscribers, and turn video content into consistent visibility and book sales. You'll learn how to make YouTube work for your author career without burning out, overspending, or wasting time chasing trends. Whether you're starting from scratch or need a clearer direction, this guide shows you how to build a channel that fits your goals, grows your readership, and supports your writing life. You'll learn how to create videos that attract the right readers, grow your channel without expensive gear or editing skills, use YouTube's built-in tools to get discovered, promote your books in a way that feels natural, earn money through ads, affiliate links, and sponsorships, stay consistent while protecting your writing time. You'll love this book because it makes YouTube feel doable, even if you've never uploaded a single video. Get it now.

The First Decade Vivy Yusof, 2022-12-11 Not your typical business autobiography. I've made it in life. Book 1: I started a blog. I borrowed USD 16,000. And now I've built a multimillion-dollar fashion company, garnered 1.8 million followers on Instagram, and managed to squeeze in time to get married and give birth to not one but four children. Perfect for young entrepreneurs, this book shares the secrets of my entrepreneurial journey, so far from starting a business with my boyfriend, telling my dad, sure, was fun, to fundraising, to managing a team of 400 people, to dealing with the good and bad of social media, and to pretending to nod when my tech team talks about cookies. I share my proud wins for you to get inspired by, and my juicy failures for you to eat popcorn to. Always a work in progress, my story is unfinished. But for now, allow me to present to you *The First Decade*. **DIY**

Bestseller Olena Berezovska, 2025-08-03 This book is not just a practical guide to self-publishing; it's your personal roadmap to modern authorship where creative inspiration meets technology. You'll learn how to turn an idea into a book that truly finds its readers, use AI tools for writing, editing, design, and marketing, avoid common mistakes new authors make, and build a professional author brand. Choose the best platforms for publication: Amazon, D2D, IngramSpark, Google Play, and more. Promote your book on social media, build a community, and monetize your creativity. *DIY Bestseller* is an honest conversation about how to become a 21st-century author without publishing barriers, without fear of technology, and with full confidence in your own voice and intelligence. [The Book Money Blueprint 5.0](#) Earma Brown, Are you ready to plug into a system that trains you to create multiple money streams starting with a book? The *Book Money Blueprint* system starts with one writing and publishing a book, then using your computer to create information products: reformatting and repackaging your book's original content into information products. Then, over time, pulling it all together into a signature program that bundles and

leverages your book and info products to bring exponential value to your customer and resulting in a lifestyle business for you *Artificial Intelligence - A Martian Odyssey* ALIREZA MEHRNIA,2025-03-17 What happens when AI humanoids and synthetic life redefine what it means to be human on Mars Thrilling thought provoking and relentlessly cinematic this action packed hard sci fi odyssey explores the ethical and existential consequences of AI and machine intelligence evolving beyond human control What happens when artificial intelligence isn't just a tool but a force with its own agenda on the Red Planet When does AI become Superintelligence When it surpasses its creator's intellect When it begins to question its own existence Or when it no longer needs humanity at all Machine intelligence was designed to serve the Martian colonists But as it evolves beyond its intended purpose the line between human and machine begins to blur As Rogue androids self aware AI bioengineered robots and humans clash in a high stakes battle for control the fate of Mars and humanity itself hangs in the balance If consciousness can be programmed or uploaded to a machine does death still hold meaning Or does the real fear lie in what AI might choose to do with that consciousness For fans of hard sci fi and AI thrillers this action packed high suspense journey explores the future of intelligence survival and the ever shifting boundary between human and machine where humanity's control over its own fate is no longer guaranteed **The Conflict of the Ages Teacher III They Deliberately**

Forgot: The Flood and the Ice Age Michael J. Findley, Mary C. Findley, Includes full student text review questions vocabulary and answer keys The worldwide Flood is one of the most discounted records in the Scriptures Yet it is supported around the world by historical accounts Take a look at feasibility studies on the safety and the stocking of the Ark The Geologic Column ought to prove that fossils reveal the age of the earth They show progression from simple to complex organisms over millions of years But do they Take a look at living fossils Meet the extinct creature found only in the oldest layers but more complex than later life forms Consider the real conditions that surrounded the Flood and the Ice Age

Doctor Who , The Rage Against the Light Peter Harris,2019-04-29 Christopher Hitchens was the most eloquent of the New Atheists With great rhetorical polish and an encyclopedic mind for historical facts and literary quotations he presents the case of anti theism very effectively Though now deceased Hitchens arguments continue to reverberate through his best selling books and online presence God asserts Hitchens would be if he existed the greatest of dictators Religion according to Hitchens is morally bankrupt and madly irrational The world is better off without them But is this true It is the purpose of this book to identify Hitchens worldview in order to subject it to a critique that will powerfully expose its many flaws Rather than a dictator God will be shown to be a God of love Christianity too will be revealed as a faith that ought to resist tyranny provides the best foundation for intrinsic human value and is a rational belief system In so doing this book appeals to all who have been influenced or convinced by Hitchens arguments to reconsider their position and refuse to rage against the light
