The Last Practicing American Michael T. Wagner, 2014-07-22 This book was not written for the weak-kneed spineless politically correct non-practicing American It is instead for those of us who have witnessed the methodical dismantling of traditional morals and values thus exhausting the limits of our tolerance The contents of this book will detail our cultural mutation which applauds deviance rewards failure and elects the corrupt in terms designed to wake up the lethargic patriot in all of us in an effort to re-enforce the urgency in our resolve so we may reverse our current descending cultural trajectory thus sparing future generations from an otherwise inevitable implosion Collection
