Sipri Yearbook 2008 Armaments Disarmament And International Security Sipri Yearbook Series:

SIPRI Yearbook 2008 Stockholm International Peace Research Institute, 2008 The 39th edition of the SIPRI Yearbook analyses developments in 2007 in Security and conflicts Military spending and armaments Non proliferation arms control and disarmament The SIPRI Yearbook contains extensive annexes on the implementation of arms control and disarmament agreements and a chronology of events during the year in the area of security and arms control [SIPRI Yearbook 2011](#) Stockholm International Peace Research Institute,, Stockholm International Peace Research Institute, 2011-08-25 The SIPRI Yearbook 2011 analyses developments in security and conflicts military spending non proliferation arms control and disarmament worldwide over the past year **Routledge Handbook of African Security** James J. Hentz, 2013-08-22 This new Handbook examines the issues challenges and debates surrounding the problem of security in Africa Africa is home to most of the world s current conflicts and security is a key issue However African security can only be understood by employing different levels of analysis the individual human security the state national state security and the region regional international security Each of these levels provides analytical tools for understanding what could be called the African security predicament and these debates are animated by the new security issues immigration small arms transfers gangs and domestic crime HIV AIDS transnational crime poverty and environmental degradation African security therefore not only presents concrete challenges for international security but provides a real world context for challenging conventional conceptions of security Drawing together contributions from a wide range of key thinkers in the field the Routledge Handbook of African Security engages with these debates and is organized into four parts Part I The African security predicament in the twenty first century Part II Understanding conflict in Africa Part III Regionalism and Africa Part IV External influences This Handbook will be of great interest to students of African politics human security global security war and conflict studies peacebuilding and IR in general [Back to the Roots](#) Albrecht Schnabel, Vanessa Farr, 2012 There has now been more than a decade of conceptual work policy development and operational activity in the field of security sector reform SSR To what extent has its original aim to support and facilitate development been met The various contributions to this book address this question offering a range of insights on the theoretical and practical relevance of the security development nexus in SSR They examine claims of how and whether SSR effectively contributes to achieving both security and development objectives In particular the analyses presented in the book provide a salutary lesson that development and security communities need to take each other s concerns into account when planning implementing and evaluating their activities The book offers academics policy makers and practitioners within the development and security communities relevant lessons suggestions and practical advice for approaching SSR as an instrument that serves both security and development objectives Series Geneva Centre for the Democratic Control of Armed Forces DCAF [Handbook on the Economics of Conflict](#) Derek L. Braddon, Keith Hartley, 2011-01-01 The Handbook on the Economics of Conflict conveys how

economics can contribute to the understanding of conflict in its various dimensions embracing world wars regional conflicts terrorism and the role of peacekeeping in conflict prevention The economics of conflict is a relatively new branch of the discipline of economics Conflict provides opportunities for applying game theory involving strategic behaviour interactions and interdependence between adversaries The Handbook demonstrates that conflict and its prevention is costly it considers new dimensions such as ethnic cleansing destructive power terrorism corruption the impact of new technology peacekeeping the role of economists in defence ministries and the use of private contractors in conflict The Global Arms Trade Andrew T. H. Tan, 2014-05-22 The Global Arms Trade is a timely comprehensive and in depth study of this topic a phenomenon which has continued to flourish despite the end of the Cold War and the preoccupation with global terrorism after 11 September 2001 It provides a clear description and analysis of the demand for and supply of modern weapons systems and assess key issues of concern This book will be especially useful to scholars policy analysts those in the arms industry defence professionals students of international relations and security studies media professionals government officials and those generally interested in the arms trade Mainstreaming Human Security in Peace Operations and Crisis Management Wolfgang Benedek, Matthias C. Kettmann, Markus Möstl, 2010-10-04 This volume looks at the practical implications of mainstreaming human security It focuses on the potential problems and policies of human security in crisis management in general and on crisis management operations of the European Union and the United Nations in particular Topics addressed by the contributors include human rights in post conflict situations democratizing crisis management restorative responses to human rights violations by peacemakers and human security in Serbia and Africa Although many of the contributions to the book focus on mainstreaming human security in the EU context the chapters discuss global issues and draw conclusions which are of relevance all over the world **Small Arms, Crime and Conflict** Owen Greene, Nic Marsh, 2013-07-03 This book critically examines the nexus between arms availability and armed violence **Case Study in Security Sector Reform**, 2009 **Cybersecurity Governance in Latin America** Carlos Solar, 2023-01-01 Cybersecurity Governance in Latin America discusses how the massification of the Internet has exposed emerging democracies high tech vulnerabilities to cyber attacks and questions why states have decided to introduce policies and legislation facilitating the militarization of cyberspace Carlos Solar offers a comparative analysis using the cases of Argentina Brazil Chile Colombia Mexico and Venezuela to help navigate the changing security landscape and the growing risks found in the digital domain His analysis includes a review of civilian and military preparedness emphasizing the ongoing alliances with the world's superpowers to finally debate what are the side effects for peace and development in the Americas from the current cybersecurity rivalry between the United States and China Providing a much needed account of state technology affairs in the global south Cybersecurity Governance in Latin America challenges scholars and policymakers to rethink the protection of cyberspace to avoid unnecessarily sacrificing rights and freedoms in the name of national security
