Resources in Education, 1997

The School Leadership Survival Guide Jeffrey S. Brooks, Amanda Heffernan, 2021-01-01 The School Leadership Survival Guide What to Do When Things Go Wrong How to Learn from Mistakes and Why You Should Prepare for the Worst is intended as an uncommon guide for school leaders and a resource they can turn to when confronted with issues they might not normally face in typical practice The book serves as a bridge between research and day to day school leadership and is intended to help leaders and school communities improve in areas they routinely avoid In this sense the book is meant as a go to resource for principals those who train and teach them and scholars Although authors recognize the complexity of issues raised in the book each chapter has a How to What to do or Why You Should ethos in order to give the book a unifying structure and help provide a practical translation of research and theory into practice Some of the issues addressed include How to elevate student voice How to navigate religious conflict in the school and community How to improve support for LGBTIQ students Why You Should develop a natural disaster plan How to work against racism in the school and community How to practice inclusion in the school How to make a vision and mission come to life How to manage relationships with difficult people What to do when there is racial tension in the community How to learn the history of your school and community and why that matters How to guide and support a leadership team and What to do in a school with low trust

Public Health Leadership Louis Rowitz, 2009-10-07 Rowitz demonstrates how the skills and tools used to build effective

leadership in the business world can be adopted by public health professionals Exercises case studies and discussion questions are incorporated into detailed chapters on theories and principles of leadership applications to public health leadership skills and evaluation and research Rowitz supplements the definition of leadership with practical skills including communication delegation public speaking media advocacy and cultural sensitivity **A Guide for Leaders in Higher Education** Brent D. Ruben, Richard De Lisi, Ralph A. Gigliotti, 2023-07-03 FIRST EDITION SPECIAL RECOGNITION Winner of the 2018 Sue DeWine Distinguished Scholarly Book Award National Communication Association Applied Communication Division REVIEWS OF THE FIRST EDITION The book provides frameworks and resources that would be highly relevant for new and aspiring department chairs In fact this text is ideally designed to serve as a selection for a book discussion group The Department Chair Succeeds in providing accessible and useful resources to individuals across different leadership roles As a midpoint between textbook and reference work it is successful at both and provides a clear and unbiased background to issues facing current leaders Reflective Teaching During a time of unprecedented challenges facing higher education the need for effective leadership for informal and formal leaders across the organization has never been more imperative Since publication of the first edition the environment for higher education has become more critical and complex Whether facing falling enrollments questions of economic sustainability the changing composition of the faculty and student bodies differential retention and graduation rates declining public confidence in the enterprise or the rise in the use of virtual technologies not to mention how COVID 19 and an intensified focus on long standing issues of racial and gender representation and equity have impacted institutions and challenged many long standing assumptions it is clear that learning on the job no longer suffices Leadership development in higher education has become essential for advancing institutional effectiveness which is the focus of this book Taking into account the imperative issues of diversity inclusion and belonging and the context of institutional mission and culture this book centers on developing capacities for designing and implementing plans strategies and structures connecting and engaging with colleagues and students and communicating and collaborating with external constituencies in order to shape decisions and policies It highlights the need to think broadly about the purposes of higher education and the dynamics of organizational excellence and to apply these insights effectively in goal setting planning and change leadership outcomes assessment addressing crises and continuous improvement at both the level of the individual and organization The concepts and tools in this book are equally valuable for faculty and staff leaders whether in formal leadership roles such as deans chairs or directors of institutes committees or task forces or those who perform informal leadership functions within their departments disciplines or institutions It can be used as a professional guide a textbook in graduate courses or as a resource in leadership training and development programs Each chapter concludes with a series of case studies and guiding questions *The 21st Century Administrative Leader* Saravanan Sathiyaseelan, 2015-09-22 The debate over whether leaders are born or made is a moot point when we only look up to others

as leaders if they are successful According to Saravanan Sathiyaseelan there is a leader inside each of us Even when we accept that anyone can be a leader its clear that quality leadership is sorely needed especially to govern businesses and countries When its missing economies stumble and people become demoralized In this handbook to becoming a great administrative leader youll learn how to cultivate leadership skills you thought werent there gain confidence in your leadership abilities champion and carry out new initiatives and create opportunities to revisit unsolved problems Youll also learn eight typical characteristics that great leaders share as well as why its so important to embrace technology and be imaginative when it comes to making continuous improvements Though its been vastly researched few people truly understand what defines great administrative leadership Master the skills that will allow you to climb the ranks with The 21st Century Administrative Leader

The Student Leadership Guide Brendon Burchard,2003 Finally an acclaimed text written for students who are 1 interested in learning about leadership concepts from both academic and popular literature and 2 looking for a real world framework to aid them in conceptualizing and practicing leadership

Business Management and Leadership Book Abdi Abdillahi Hassan (Matan),2023-06-08 Working on business management can be exciting but it can also create new challenges In this guide the author draws on his experiences working in various countries to provide tips for managing a business or organization He answers questions such as What are the main components of business management How do you develop a successful business model What are the differences between leaders and managers How do you connect with business prospects What steps can you take to optimize financial management Other topics include business policy and strategy business communication sizing up competitors analyzing consumer behavior and the five key product levels The guide is divided into nine units with each chapter consisting of several articles on a particular topic so you can hone your leadership and management skills Filled with definitions theories and real life examples this guide will serve as a treasured resource for leaders and managers who want to optimize business operations

The Sports Leadership Playbook Mike Voight,2014-09-06 Examples of ineffective and even negative leaders are all too abundant in sports Poor leadership attitudes are a great loss for players coaches teams schools communities and society as a whole To become productive leaders coaches administrators and parents need guidance and resources This book reveals what the most revered scholars and icons from business and other leadership fields know about leadership theory research and practice and applies the results to the world of sport This is a book parents coaches and administrators can use to maximize their own leadership potential as well as teach leadership to those under their charge
