The book also covers critical aspects of human resource planning including determining future HR requirements in collaboration with stakeholders and ensuring that position descriptors are current and accurately used throughout the recruitment process. It provides detailed guidance on advertising vacant positions in compliance with legislation and organizational policies, consulting with specialists when necessary, and adhering to selection procedures that meet legal and organizational standards. Additional chapters address the importance of timely and accurate job offers and contracts, providing new appointments with relevant advice, and ensuring that onboarding processes are consistently applied across the organization. The book also covers the management of probationary employees, the provision of feedback, and the collection of participant and stakeholder feedback on the onboarding process. Finally, readers are equipped with strategies for updating onboarding policies and procedures based on feedback, ensuring continuous improvement and alignment with organizational goals. This book is an invaluable tool for HR professionals seeking to optimize their recruitment and onboarding practices and contribute to the overall success of their organization. **CONTENT WRITING HANDBOOK** Kounal Gupta, 2020-10-15

ANYONE ANYTIME ANYWHERE This is not any other content writing book. This is THE CONTENT WRITING BOOK. Content Writing Handbook is the outcome of spending over 200,000 man hours in seeking interest and understanding challenges of 36,514 individuals over a period of 6 years towards writing. This was further boiled down to spending 5,500 man hours in imparting content writing training to individuals from diverse backgrounds via a popular offering from Henry Harvin Education, namely Certified Digital Content Writer (CDCW) course. Converting vast experiences into nuggets of wisdom, Content Writing Handbook incorporates tips, tricks, templates, strategies, and best practices that can help anyone who wants to write, just by devoting 1 hour to each subsection. And if you spend 1 hour daily for the next 32 days, you can complete the book. This book starts with 2 basic raw materials to write any form of content: language skills and internet skills. Once we gain insight on these two skills, we move towards developing skills to write 30 content types, followed by learning about content strategy and then finally how to earn online work from home through content writing. From Creative Writing, Technical Writing, Research Writing, SEO Writing to writing E-Books, Emails, White Papers, this book covers them all. YOU WILL GET ANSWERS TO in less than one hour each: What is content writing? What skills are required to do content writing? What are the tips and best practices to do content writing effectively? What are the various formats of content writing? What are various content writing tools, how to use them? What are the most important content writing interview questions?
