The Mole Chronicles Andy Brown,2009-11-08 In the spirit of Susan Sontag's *Illness as Metaphor* or Jonathan Lethem's *Fortress of Solitude* Andy Brown's first novel follows a sibling relationship told through vignettes each story centered around the removal of a mole From this premise Brown's novel expands the associations of moles from skin disease to the burrowing animal to secret societies and espionage to tell the story of familial dysfunction culture jamming eco terrorism and regret in the lives of young adults in the 1990s

The Long Road Home Jean Weeter,2000-12-13 The following story ensnares the lives of several families who live or have moved to Silver Springs Arkansas People find that there is something or someone living in the surrounding forest which strikes and out and kills at any time When June Raves sister in law is murdered and one of the detectives is found dead his best friend is called in Jay Martin a private detective catches a plane from New York to help investigate the case June and her brother Ray Walker become paranoid thinking it could be someone in their past lives Martin's investigation is somewhat interrupted by his growing love for June's daughter Julie We meet the rest of June's family as tragedy strikes once again We weave in and out of the Bowmont family's lives as we discover what heart aches Mrs Beaumont has endured from her husband and sons We are taken all over the southern states as the investigation follows the Bowmont brothers each are suspected of different crimes Sheriff Hilstone and Jay Martin discover that once Slade Bowmont is captured he would probably get off scot free for his crimes The ending will not be what you would expect and it may even provoke you Sometimes even the dealer of life that has dealt you all the losing hands has mercy and deals you a hand that wins
