Allow only persons who understand this Manual to operate your trimblower.

To receive maximum performance and satisfaction from your STIHL trimblower, it is important that you read and understand the maintenance and safety precautions, starting on page 3, before using your trimblower.

Contact your STIHL dealer or the STIHL distributor for your area if you do not understand any of the instructions in this Manual.

 Warning!

Because a trimblower is a tool for spraying chemicals, some special safety precautions must be observed as with any other power tool to reduce the risk of personal injury.

Careless or improper use may cause serious or even fatal injury.

STIHL's philosophy is to continuously improve all of its products. As a result, engineering changes and improvements are made from time-to-time. If the operating characteristics or the appearance of your trimblower differs from those described in this Manual, please contact your STIHL dealer for information and assistance.
