procrastination today with this effective self help program and you could start seeing incredible results within as little as 21-30 days. Procrastination is not just a trait of putting things off; it can also manifest into destructive habit patterns that lead to frustration, unfulfillment, underachievement, and failure, resulting in low self-esteem and unhappiness. In the Cure Procrastination eBook, you will discover tips, techniques, and strategies to enable you to banish these old, destructive procrastinating habits that have been holding you back and replace them with new, healthy ones that will increase your motivation and productivity and propel yourself to success as you attain your goals. Here is a preview of what you will learn: Learn all about procrastination, the stages in the process, why it happens, and why you do it. Beware! Procrastination, if left untreated, can have serious detrimental effects in all areas of your life, i.e., career, business, social, personal, finance, health. Do you realize that many people don't know they procrastinate? Learn the 5 danger signs that suggest the likelihood that you are a procrastinator. Why a healthy diet is so critical in your fight to rid yourself of lazy habits, including the foods that make you lethargic. Why this chemical, produced by a regular exercise program, not only gets you in the right mood for taking action but also has the added benefit of making you feel oh so good. Beware though, it can make exercising addictive. Learn why creating a positive, healthy, and efficient work environment is crucial in your quest to defeat procrastination. Discover the latest state-of-the-art technology software you can plug into your PC to effortlessly program yourself to taking action. Why American actor and comedian Woody Allen's quote regarding attaining success should be taken seriously. Why a study at Harvard University back in 1958 confirms the awesome power of goal setting and why this is such a critical part of the Cure Procrastination blueprint. Learn of the 13 obstacles, fears, and excuses you may face along the way on your journey to defeating procrastination that you must be aware of and how to overcome, banish them for good. Learn of the acronym S.M.A.R.T. and why it is so critical for your education for curing procrastination. Discover a time management principle coined by an Italian economist that will increase your productivity by focusing only on the things that really matter. Why cutting out pictures from old lifestyle magazines and pinning them onto a cork board displayed in your office environment will motivate and spur you into the action zone. Why doing what you fear isn't as absurd as it sounds. A sure-fire way to break out of your comfort zone and do the things you've always dreamed of. I'm confident that if you follow the tips, techniques, and strategies laid down in this eBook, you will be able to banish procrastination tendencies and habits for good and get you motoring down the action lane, becoming more efficient and productive in your home and work life. No longer will you have that awful feeling of dreaded fear, anxiety, and guilt of running out of time, feeling powerless as the deadline looms with no chance of finishing your task.
