

EL FILIBUSTERISMO SUMMARY

Thirteen years after leaving the Philippines, Crisostomo Ibarra returns as Simoun, a rich jeweler sporting a beard and blue-tinted glasses, and a confidant of the Captain-General. Abandoning his idealism, he becomes a cynical saboteur, seeking revenge against the Spanish Philippine system responsible for his misfortunes by plotting a revolution. Simoun insinuates himself into Manila high society and influences every decision of the Captain-General to mismanage the country's affairs so that a revolution will breakout. He cynically sides with the upper classes, encouraging them to commit abuses against the masses to encourage the latter to revolt against the oppressive Spanish colonial regime. This time, he does not attempt to fight the authorities through legal means, but through violent revolution using the masses. Simoun has reasons for instigating a revolution. First is to rescue Maria Clara from the convent and second, to get rid of ills and evils of Philippine society. His true identity is discovered by a now grown-up Basilio while visiting the grave of his mother, Sisa, as Simoun was digging near the grave site for his buried treasures. Simoun spares Basilio's life and asks him to join in his planned revolution against the government, egging him on by bringing up the tragic misfortunes of the latter's family. Basilio declines the offer as he still hopes that the country's condition will improve. Basilio, at this point, is a graduating student of medicine at the Ateneo Municipal de Manila. After the death of his mother, Sisa, and the disappearance of his younger brother, Crispin, Basilio heeded the advice of the dying boatman, Elias, and traveled to Manila to study. Basilio was adopted by Captain Tiago after Maria Clara entered the convent. With Captain Tiago's help, Basilio was able to go to Colegio de San Juan de Letran where, at first, he is frowned upon by his peers and teachers not only because of the color of his skin but also because of his shabby appearance. Captain Tiago's confessor, Father Irene is making Captain Tiago's health worse by giving him opium even as Basilio tries hard to prevent Captain Tiago from smoking it. He and other students want to establish a Spanish language academy so that they can learn to speak and write Spanish despite the opposition from the Dominican friars of the Universidad de Santo Tomas. With the help of a reluctant Father Irene as their mediator and Don Custodio's decision, the academy is established; however they will only serve as caretakers of the school not as the teachers. Dejected and defeated, they hold a mock celebration at a panciteria while a spy for the friars witnesses the proceedings. Simoun, for his part, keeps in close contact with the bandit group of Kabesang Tales, a former cabeza de barangay who suffered misfortunes at the hands of the friars. Once a farmer owning a prosperous sugarcane plantation and a cabeza de barangay (barangay head), he was forced to give everything to the greedy and unscrupulous Spanish friars. His son, Tano, who became a civil guard was captured by bandits; his daughter Huli had to work as a maid to get enough ransom money for his freedom; and his father, Tandang Selo, suffered a stroke and became mute. Before joining the bandits, Tales took Simoun's revolver while Simoun was staying at his house for the night. As payment, Tales leaves a locket that once belonged to Maria Clara. To further strengthen the revolution, Simoun has Quiroga, a Chinese man hoping to be appointed consul to the Philippines, smuggle weapons into the country using Quiroga's bazaar as a front. Simoun wishes to attack during a stage play with all of his enemies in attendance. He, however, abruptly aborts the attack when he learns from Basilio that Maria Clara had died earlier that day in the convent. A few days after the mock celebration by the students, the people are agitated when disturbing posters are found displayed around the city. The authorities accuse the students present at the panciteria of agitation and disturbing peace and has them arrested. Basilio, although not present at the mock celebration, is also arrested. Captain Tiago dies after learning of the incident and as stated in his will—forged by Irene, all his possessions are given to the Church, leaving nothing for Basilio. Basilio is left in prison as the other students are released. A high official tries to intervene for the release of Basilio but the Captain-General, bearing grudges against the high official, coerces him to tender his resignation. Juli, Basilio's girlfriend and the daughter of Kabesang Tales, tries to ask Father Camorra's help upon the advice of an elder woman. Instead of helping Juli, however, the priest tries to rape her as he has long-hidden desires for Juli. Juli, rather than submit to the will of the friar, jumps over the balcony to her death. Basilio is soon released with the help of Simoun. Basilio, now a changed man, and after hearing about Juli's suicide, finally joins Simoun's revolution. Simoun then tells Basilio his plan at the wedding of Paulita Gomez and Juanito, Basilio's hunch-backed classmate. His plan was to conceal an explosive inside a pomegranate-styled Kerosene lamp that Simoun will give to the newlyweds as a gift during the wedding reception. The reception will take place at the former home of the late Captain Tiago, which was now filled with explosives planted by Simoun. According to Simoun, the lamp will stay lighted for only 20 minutes before it flickers; if someone attempts to turn the wick, it will explode and kill everyone—important members of civil society and the Church hierarchy—inside the house. Basilio has a change of heart and attempts to warn Isagani, his friend and the former boyfriend of Paulita. Simoun leaves the reception early as planned and leaves a note behind: "Mene Thecel Phares." —Juan Crisostomo Ibarra Initially thinking that it was simply a bad joke, Father Salvi recognizes the handwriting and confirms that it was indeed Ibarra's. As people begin to panic, the lamp flickers. Father Irene tries to turn the wick up when Isagani, due to his undying love for Paulita, bursts in the room and throws the lamp into the

The Chinese Question Caroline S. Hau,2014-02-28 The rising strength of mainland China has spurred a revival of Chineseness in the Philippines Perceived during the Cold War era as economically dominant political disloyal and culturally different the Chinese presented themselves as an integral part of the Filipino imagined community Today as Filipinos seek associations with China many of them see the local Chinese community as key players in East Asian regional economic development With the revaluing of Chineseness has come a repositioning of Chinese racial and cultural identity Philippine mestizos people of mixed ancestry form an important sub group of the Filipino elite but their Chineseness was occluded as they disappeared into the emergent Filipino nation In the twentieth century mestizos defined themselves and based claims to privilege on white ancestry but mestizos are now actively reclaiming their Chinese heritage At the same time so called pure Chinese are parlaying their connections into cultural social symbolic or economic capital and leaders of mainland Chinese state companies have entered into politico business alliances with the Filipino national elite As the meanings of Chinese and Filipino evolve intractable contradictions are appearing in the concepts of citizenship and national belonging Through an examination of cinematic and literary works *The Chinese Question* shows how race class ideology nationality territory

sovereignty and mobility are shaping the discourses of national integration regional identification and global cosmopolitanism **Jose Rizal** Lisandro E. Claudio, 2018-10-30 The global history of liberalism has paid too much attention to the West neglecting the contributions of liberals from colonial nations This book mines the thought of Filipino propagandist and novelist Jose Rizal to present a vision of liberalism for the colonized It is both an introduction to Rizal and a treatise on rights freedom and tyranny in colonial contexts Though a work on history it responds to the illiberal present of rising authoritarianism and populism
