Trilogy about Several Urban View and Landscape Prints M. Rosa Vives, 2021-10-25 Trilogy about Several Urban View and Landscape Prints presents three essays dedicated to the specific observation of prints by great artists such as Canaletto Goya Hokusai and Picasso whose main theme is the representation of outdoor space landscapes and urban views M Rosa Vives studies the contextualisation of these prints and their creative and iconographic links with tradition and with other artists and creative media The works remind us that engraving has been and continues to be an artistic medium with its own language a particular technology and a sensorial form of expression and communication They also recall how before the advent of photography engraving was a major force behind the spreading of images and culture

Orientalism, Gender, and the Jews Ulrike Brunotte, Anna-Dorothea Ludewig, Axel Stähler, 2014-12-16 Originating in the collaboration of the international Research Network Gender in Antisemitism Orientalism and Occidentalism RENGOO this collection of essays proposes to intervene in current debates about historical constructions of Jewish identity in relation to colonialism and Orientalism The network's collaborative research addresses imaginative and aesthetic rather than sociological questions with particular focus on the function of gender and sexuality in literary scholarly and artistic transformations of Orientalist images RENGOO's first publication explores the ways in which stereotypes of the external and internal Other intertwine With its interrogation of the roles assumed in this interplay by gender processes of sexualization and aesthetic formations the volume suggests new directions to the interdisciplinary study of gender antisemitism and Orientalism
