Global Literary Studies Diana Roig-Sanz,Neus Rotger,2022-12-05 While the very existence of global literary studies as an institutionalised field is not yet fully established the global turn in various disciplines in the humanities and the social sciences has been gaining traction in recent years This book aims to contribute to the field of global literary studies with a more inclusive and decentralising approach Specifically it responds to a double demand the need for expanding openness to other ways of seeing the global literary space by including multiple literary and cultural traditions and other interdisciplinary perspectives in the discussion and the need for conceptual models and different case studies that will help develop a global approach in four key avenues of research global translation flows and translation policies the post 1989 novel as a global form global literary environments and a global perspective on film and cinema history Gathering contributions from international scholars with expertise in various areas of research the volume is structured around five target concepts space scale time connectivity and agency We also take gender and LGBTQ perspectives as well as a digital approach

The Whole-School Community Read Margaux DelGuidice-Calemmo,Jeannette Balantic,2025-10-30 A comprehensive resource for librarians and teachers who want to implement a whole school community reading program in their schools Community reading programs can foster a love of reading increase student engagement build a community of readers and simultaneously improve literacy Yet it can be daunting to begin a new program at a busy school This guidebook provides a clear roadmap for librarians and teachers who wish to try a whole school community reading program with all ages of learners Beginning with a history of whole school reads authors DelGuidice Calemmo and Balantic describe how a community reading program can work for students at all levels and promote family connections through reading They offer advice on finding funding building successful collaborations within the school community and allowing students to have a voice in book selection Marketing

makerspace and promotion ideas help encourage participation Learn how to use informal checkpoints and a final celebration to sustain and celebrate participants Finally come away with strategies to assess these programs and try variations to increase engagement Appendixes of resources provide practical tools for those ready to begin planning their own program

The Global Author Economy Azhar ul Haque Sario,101-01-01 The publishing world has changed forever and this book is the map you need to navigate it This book is your complete guide to the global author economy It begins with the past You will learn how self publishing is not new but the original form of publishing We trace its history from ancient scribes to the modern digital age Then the book provides a massive global market analysis We dive deep into 15 different countries This includes the Anglosphere titans the USA UK Canada and Australia We explore European powerhouses like Germany France and Sweden We also unlock the BRICS frontier Brazil India and South Africa Finally we look at unique markets like Japan China Mexico the UAE and Nigeria For each country you get a practical breakdown This includes market trends top local companies and essential copyright laws The guide also covers the cutting edge of the industry You will learn how to use AI for marketing and research We explore the audiobook boom subscription models and direct to reader sales The book explains new business theories You will learn to be an authorpreneur You will understand how to build a global local strategy To finish we look to the future predicting the trends that will shape the industry from 2025 to 2035 What makes this book different from other publishing guides Most books are too limited They focus on just one platform like Amazon or one market like the US This book provides a truly global strategic perspective It gives you the Global Local Nexus model a unique framework for leveraging worldwide distribution platforms while applying targeted localized marketing to build a real connection with readers in different countries It isn t just a simple how to manual It is a comprehensive analysis that combines history practical market data emerging technology trends and powerful business models Other books may show you how to upload your file This book teaches you how to think like a global CEO of your own writing business It s the ultimate resource for building a resilient diversified and sustainable international writing career Disclaimer This book is an independent analysis The author is not affiliated with sponsored by or endorsed by any of the companies mentioned such as Amazon Apple IngramSpark PublishDrive or others All trademarks and company names are the property of their respective owners and are used for identification and analysis purposes under nominative fair use

The Geology of Scotland, 5th edition (paperback) Martin Smith,Rob Strachan,2024-08-30 Although a small country Scotland s geology is complex internationally renowned and offers an accessible outdoor research laboratory and training ground for earth science The onshore and offshore geology together encompass examples of all Earth s geological periods and preserve many classic examples of sedimentary basins and orogenic belts Palaeontological findings have provided key evidence for the evolution of life With a wide spectrum of contributors full colour figures and photographs and for each chapter a Topic Box highlighting key research developments and challenges this 5th edition of The Geology of Scotland represents a major update and expansion

from the 4th edition A revised Introduction summarizes the geological evolution of Scotland the nature of the crust and the societal relevance of geology to climate change and sustainability The final three chapters provide a modern view on energy water and minerals environmental concerns and geoconservation The intervening chapters cover the geological periods including much new geochronological data and exciting new palaeontological discoveries *Paperback Oxford English Dictionary* Maurice Waite, 2012-05-10 Little Oxford English Dictionary is a book to support knowledge creation of Sara Hawker Available at a lower price from other sellers that may not offer free Prime shipping This is a major new edition of the Little Oxford English Dictionary offering the most accurate and up to date coverage of essential everyday vocabulary Based on evidence from the Oxford English Corpus a unique database with hundreds of millions of words of English it provides a fresh selection of 90 000 words phrases and definitions Definitions are given in a clear simple style avoiding technical language and are easier to understand than ever before and there are hundreds of notes on spelling and grammar to help you get it right A brand new Factfinder center section gives easy access to information on topics such as countries and their capitals kings and queens and weights and measures as well as help with spelling and punctuation A new clear design makes the Little Oxford English Dictionary easy to use and ideal for use at school at home and in the office Find out more about our living language using Oxford Dictionaries Online Hear how words are spoken with thousands of audio pronunciations and access over 1 9 million real English example sentences to see how words are used in context Improve your confidence in writing with helpful grammar and punctuation guides full thesaurus information style and usage help and much more Discover more on oxforddictionaries.com Oxford's hub for dictionaries and language reference **Unknown Market**

Wizards (paperback) Jack D. Schwager, 2023-11-07 REVISED PAPERBACK EDITION WITH NEW MATERIAL IN EVERY CHAPTER Jack D Schwager has returned to the traders to ask them how they navigated the unprecedented markets of 2020 2022 including the pandemic bear market an abrupt reversal to new highs rising inflation and the emergence of another bear market All chapters updated with exclusive new interviews with the Unknown Market Wizards The Market Wizards are back Unknown Market Wizards continues in the three decade tradition of the hugely popular Market Wizards series interviewing exceptionally successful traders to learn how they achieved their extraordinary performance results The twist in Unknown Market Wizards is that the featured traders are individuals trading their own accounts They are unknown to the investment world Despite their anonymity these traders have achieved performance records that rival if not surpass the best professional managers Some of the stories include A trader who turned an initial account of 2 500 into 50 million A trader who achieved an average annual return of 337% over a 13 year period A trader who made tens of millions using a unique approach that employed neither fundamental nor technical analysis A former advertising executive who used classical chart analysis to achieve a 58% average annual return over a 27 year trading span A promising junior tennis player in the UK who abandoned his quest for a professional sporting career for trading and generated a nine year track record with an average annual return

just under 300% World renowned author and trading expert Jack D Schwager is our guide His trademark knowledgeable and sensitive interview style encourages the Wizards to reveal the fascinating details of their training experience tactics strategies and their best and worst trades There are dashes of humour and revelations about the human side of trading throughout The result is an engrossing new collection of trading wisdom brimming with insights that can help all traders improve their outcomes
