lessons as the beginner can start reading simple sentences by lesson three Sometimes it can happen as early as the first day Result You can sense the reading success on the very first day Other programs often end up making things a little more complicated They inject grammar pictures and other material that can make it hard for a learner to grasp the true essence of the lessons With Alpha Phonics you teach only reading Out of many elements that make Alpha Phonics stand out is a BONUS in that you EASILY teach SPELLING as you go lesson by lesson Parents and tutors can spend a few minutes with each lesson doing oral and written dictation to teach spelling The Robinson Curriculum organization regularly recommends Alpha Phonics for learners struggling with phonograms Alpha Phonics works exceptionally well in teaching phonics systematic phonics or teaching English as a second language There is also a 24 7 Helpline if you need assistance and a practice workbook [100 Top Picks for Homeschool Curriculum](#) Cathy Duffy, 2005 A critical volume for the homeschooling community that helps parents make informed choices regarding learning styles and curriculum
