Storytelling Janice M. Del Negro,2021-06-24 This book serves as both a textbook and reference for faculty and students in LIS courses on storytelling and a professional guide for practicing librarians particularly youth services librarians in public and school libraries Storytelling Art and Technique serves professors students

and practitioners alike as a textbook reference and professional guide. It provides practical instruction and concrete examples of how to use the power of story to build literacy and presentation skills as well as to create community in those same educational spaces. This text illustrates the value of storytelling, covers the history of storytelling in libraries, and offers valuable guidance for bringing stories to contemporary listeners with detailed instructions on the selection, preparation, and presentation of stories. It also provides guidance around the planning and administration of a storytelling program. Topics include digital storytelling, open mics and slams, and the neuroscience of storytelling. An extensive and helpful section of resources for the storyteller is included in an expanded Part V of this edition.

Digital Storytelling as Translanguaging

Heather A. Linville, Polina Vinogradova, 2024-04-01. This innovative accessible book is an introduction to using digital storytelling in language teaching with a focus on English as an Additional Language (EAL) instruction. Linville and Vinogradova provide a clear framework that addresses translanguaging and multimodal meaning making in teaching multilingual learners (MLs) through use of digital storytelling. This book provides detailed guidance on how to incorporate digital storytelling into language teaching, building on recent developments in the fields of TESOL and language education that position multilingualism and multiliteracies as important components of any language instruction. Through this text and accompanying activities, readers will understand how to work with MLs to create multimodal digital texts. This book offers an easy-to-follow step-by-step process for language educators to follow to support MLs' digital storytelling projects in any EAL classroom. Featured digital storytelling projects from EAL practitioners in various contexts, as well as multiple examples and resources, are included for each stage of the process, always grounded in contemporary TESOL theories, e.g., critical pedagogy, culturally responsive teaching, translanguaging, and a pedagogy of multiliteracies. This framework supports the development of multilingualism and multiliteracies and can be adapted by educators of other world languages for any language education setting. Grounded in contemporary TESOL theories, this book is an essential text for courses on technology in TESOL and TESOL methods courses, as well as for language educators.

Connecting Disciplinary Literacy and Digital Storytelling in K-12 Education Haas, Leslie, Tussey, Jill, 2021-01-15. The idea of storytelling goes beyond the borders of language, culture, or traditional education and has historically been a tie that bonds families, communities, and nations. Digital storytelling offers opportunities for authentic academic and non-academic literacy learning across a multitude of genres. It is easily accessible to most members of society and has the potential to transform the boundaries of traditional education. As concepts around traditional literacy education evolve and become more culturally and linguistically relevant and responsive, the connections between digital storytelling and disciplinary literacy warrant consideration. *Connecting Disciplinary Literacy and Digital Storytelling in K-12 Education* develops a conceptual framework around pedagogical connections to digital storytelling within K-12 disciplinary literacy practices. This essential reference book supports student success through the integration of digital storytelling across content areas and grade levels. Covering topics that include immersive storytelling

multiliteracies social justice and pedagogical storytelling it is intended for stakeholders interested in innovative K 12 disciplinary literacy skill development research and practices including but not limited to curriculum directors education faculty educational researchers instructional facilitators literacy professionals teachers pre service teachers professional development coordinators teacher preparation programs and students
