I met my younger self for coffee this morning.

We were both very nervous about the meeting process.

We ordered a caramel macchiato, I ordered an iced oat milk latte.

We told her how she can't wait to get out from under our parents' house and how she is so excited to be in her own home. She told us she no longer lives in the house where she grew up and that she no longer lives in the house of her parents or her sister's house of 4.

We asked her if we are doing it right? She said that yes, we are doing it right. We never would have imagined but the joy of being our family hurts a lot some days.

We asked her if we called the guy from the concert? She said yes. And how the guy loves 20 years with her. He's better than we ever could've imagined. I told her pictures of our beautiful life now and our beautiful children.

We were feeling excited, nervous and a little sad about her future.

We were feeling grateful for all we've been through and for being here and that we're.

Hope we meet again soon.

I had coffee with my younger self.

She was right on time, I was 2 minutes early.

She ordered a sugar free red bull, I ordered a matcha with honey, cinnamon, and organic whole milk.

We asked if we just wanted our anxiety, hormonal acne, bloating, fatigue, and hypothyroidism.

I told her we're fully healed, but now we're struggling with the same things.

We asked if we ever moved out of our home.

I told her we moved to a beautiful city and currently live in LA in the mountains.

I hope I get to have coffee with her again soon.
