War, Nation and Europe in the Novels of Storm Jameson Katherine Cooper,2020-04-16 The novels of Storm Jameson and their depictions of Britain s relationship to Europe around the Second World War represent a crucial departure from the work of her contemporaries As the first female President of English PEN Jameson led her country s wartime literary community through turbulent times in history by focusing on European rather than pointedly British experiences of war War Nation and Europe in the Novels of Storm Jameson is a timely critique situated within the historical and theoretical contexts so fundamental to understanding her work Presenting previously unpublished archival material that documents her work as an ambassador for British writers during a time of national upheaval Katherine Cooper reveals how the novelist s pacifism and evolving attitudes to war and peace were underpinned by her overarching vision for the post war world Drawing comparisons to the works of Virginia Woolf Arthur Koestler Graham Greene and others this study shows how Jameson s

novels gesture towards prevalent internationalist perspectives and reshapes how we view the literary history of the period

Silk and Potatoes Adam Roberts, 2022-06-08 This study constitutes the first to analyse the remarkable surge in popularity of Arthurian literature and art in the modern period from a broad range of instances of cultural production More novels with Arthurian themes have been published since the war than in any previous period and Silk and Potatoes provides detailed readings of some of the most famous including works by Marion Zimmer Bradley Anthony Burgess C J Cherryh Guy Gavriel Kay Mary Stewart Jack Vance and T H White In addition to examining Arthurian fiction with chapters on the general novel Historical fiction and Science Fiction this study examines the key cinematic examples of Arthuriana Boorman's *Excalibur* Bresson's *Lancelot du Lac* Rohmer's *Perceval Le Gallois* and Monthy Python and the Holy Grail A further chapter goes on to look at the myriad other forms of cultural production based on Arthurian themes from Bugs Bunny to Pop Music from the Camelot of JFK to the British National Lottery This is a study that touches on many aspects of Arthuriana whilst developing two connected arguments about on the one hand the necessary anachronism of any modern Arthurian Literature and on the other the aesthetic political implications of this literature's success The whole whilst rooted in the scholarly debates on the enduring appeal of King Arthur is written in an accessible and entertaining style It will be of interest to students and teachers of Arthurian literature film and popular culture

Sameness and Repetition in Contemporary Media Culture Susana Tosca, 2023-08-02 The ebook edition of this title is Open Access and freely available to read online Our culture has an uneasy relationship with repetition and sameness On the one hand we find familiarity pleasurable and soothing on the other we crave novelty and long for a sense of discovery We blame algorithms intent on selling us more of the same and on a media industry too greedy to risk investing in intellectually challenging radically new products Sameness and Repetition in Contemporary Media Culture takes a comprehensive approach that both theorises and historically grounds the idea of repetition in relation to media as something that is deeply embedded in our cultural tradition This project received funding from the Carlsberg Foundation

Chinese Film in the Twenty-First Century Corey Schultz, Cecília Mello, 2023-10-13 This book examines Chinese film in the twenty first century Organized around the themes movements genres and intermedia it reflects on how Chinese cinema has changed adapted and evolved over past decades and prognosticates as to its future trajectories It considers how established film genres in China have adapted and transformed themselves and discusses current shifts in documentary filmmaking the ethos and practices of grassroots intellectual independent filmmakers and the adaption of foreign film genres to serve the ideological and political needs of the present It also explores how film is drawing on the socio historical and political contexts of the past to create new cinematic discourses and the ways film is providing a voice to previously marginalised ethnic groups In addition the book analyses the influences of past aesthetic traditions on the creative and artistic expressions of twenty first century films and cinema's relation to other media forms including folktales moving image installations architecture and painting Throughout the book assesses how Chinese films have been

conceptualized examined and communicated domestically and abroad and emphasizes the importance of new directions in Chinese film thus highlighting the plurality vitality and hybridity of Chinese cinema in the twenty first century Chapter 10 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Writing South Africa Derek Attridge, Rosemary Jolly, 1998-01-22 During the final years of the apartheid era and the subsequent transition to democracy South African literary writing caught the world's attention as never before Writers responded to the changing political situation and its daily impact on the country's inhabitants with works that recorded or satirised state enforced racism explored the possibilities of resistance and rebuilding and creatively addressed the vexed question of literature's relation to politics and ethics Writing South Africa offers a window on the literary activity of this extraordinary period that conveys its range going well beyond a handful of world renowned names and its significance for anyone interested in the impact of decolonisation and democratisation on the cultural sphere It brings together for the first time discussions by some of the most distinguished South African novelists poets and dramatists with those of leading commentators based in South Africa Britain and North America

Baseball's Great Experiment Jules Tygiel, 1997 Offers a history of African American exclusion from baseball and assesses the changing racial attitudes that led up to Jackie Robinson's acceptance by the Brooklyn Dodgers

Nephilim Architecture and Megalithic Monuments Learn Alchemical, 2025-09-23 Across the high Andes the Nile Valley Mesopotamia and beyond there stand stones that refuse to fall Colossal walls that withstand earthquakes platforms weighing hundreds of tons and temples aligned with the heavens all raise the same enduring question who built them and how Nephilim Architecture and Megalithic Monuments explores the mysterious overlap between ancient myth and enduring stone From the biblical Nephilim and the Watchers of Enoch to Andean legends of giant builders and global traditions of titans this book traces a blueprint of memory connecting mythological giants with the world's most enigmatic ruins Were these monuments the work of forgotten engineers cultures older than history or hybrid beings whose knowledge blurred the line between divine and human This sweeping study does not surrender to fantasy nor does it silence the questions posed by stone and story Instead it follows the global echoes of giants analyzing how megalithic monuments embody both lost sciences and living myths For readers fascinated by archaeology biblical mysteries and the architecture of the impossible Nephilim Architecture and Megalithic Monuments offers a bold journey into the deep past where myth and stone speak together
