Make a Living Writing Richard Fire, 2024-01-03 When I was a child when I told my parents that I wanted to be a writer they told me that it was very difficult as difficult as being a soccer player I don't deny it and that the best thing would be to have a job for example recurrent example as a teacher and in addition to write in my free time How Is it impossible to live only by writing LIE For a while I believed it until they started to offer me money for my writings and I began to meet other people who while still students had also found ways to obtain very juicy incomes from writing It is possible to make a living from writing experience has taught me that and here I share how So that all those who like me when I was a kid want to do it can learn from my experience You don't need to have a boring job that you hate If you are really interested in the art of arranging spaces and letters there are millions of people willing to take advantage of your talent it has a huge value in the market If you notice there are so many subjects that must be written down mails formal requests announcements news biographies manuals instructions catalogs Even a good restaurant menu must include a few sentences about each dish and drink On the other hand there are very few people who know how to write clearly making themselves understood economizing space and making an impact There is an opportunity for writers who take their profession seriously and make the most of their own creativity It is difficult because we have been educated to obey to write or do what we are told and as we see in this book if you want to make a living from writing you should not limit yourself to writing for others In this book I show you the way to polish your lines until they come in like the sea breeze giving life I write finally the book that I would like to have read It is not the first book that exists on this subject so I will spare you content that you can find by searching Google and Amazon Here I show you what has helped me my trajectory I warn sailors making a living from writing requires discipline and passion Discipline self discipline in case you are independent can be improved Not passion if you don't like writing if you don't do it out of the need to express yourself and to create it is very difficult for you to dedicate enough hours to it to make it a source of income powerful enough to give you the life you want I'm not going to dwell too much on this regarding self discipline there are mountains of books on habits and routines that can help you In short you need to write practically every day at least every week at least for a few years give yourself five years as an outlook in which with a lot of

effort you can get to write better than most If you dream of being known for your literary work even if you use pseudonyms you can always reveal your identity to whomever you wish or make a living from helping to solve problems if your preferred genre is essays this book is for you You are probably here because you have lacked something to be able to dedicate yourself 100% to words or perhaps you already do but you want to improve Come on **The Oxford Illustrated History of the Book** James Raven,2020 In 14 original essays this book reveals the history of books in all their various forms from the ancient world to the digital present **The Frankfurt Kabuff Critical Edition** Beth Driscoll,Claire Squires,2023-09-26
