Goodreads Choice Finalist Stories:

Stories Can Save Us Matt Tullis, 2024-06-01 Great journalism relies on a narrative arc to engage and inform the reader. *Stories Can Save Us* looks at how the best reporters and writers craft narrative literary journalism. Journalist Matt Tullis uses the material he gathered in the more than seventy-five interviews he conducted with the best narrative and literary journalists in the country through his podcast *Gangrey The Podcast* to show how these professionals conceive and write such compelling stories. Through his podcast, Tullis interviewed Pulitzer Prizewinners, National Magazine Award winners, and many authors of books of narrative journalism, including New York Times best-selling authors. He also spoke with reporters of different races and backgrounds, styles, and strengths, journalists who have been published in the most prestigious newspapers and magazines, to ask: How do they find story ideas? How do they reach out to potential story subjects? What are their interview strategies? How do they conduct other information gathering? How do they come up with their amazing and enticing leads? How do they develop story structure? How does the story change in the revision process? How do they make their stories great and make them into the types of stories that people read and talk about for years? Through Tullis's conversations with these top-tier journalists, we are offered a window into their methods and practices, as well as the motivations behind great journalism and how it speaks to the cultural climate of its time. Tullis's goal was to expand the power and potential of what amazing reporting and narrative writing can do, believing that it can literally change a reader's mood and possibly a reader's life.

Better Stories: Mapping Cultural Studies with Lawrence Grossberg Andrew Davis, John Nguyet Erni, Carolyn Hardin, Gilbert B. Rodman, Jennifer Daryl Slack, 2025-09-10 *Better Stories* assembles essays and provocations in honor of Lawrence Grossberg's radically contextual and affectively attuned lifework. In over fifty chapters, contributors trace mattering maps of influence, friendship, and intellectual struggle, charged with the hope that thinking together with feeling can change the world. These essays not only comment on Grossberg's ideas and many published works but also engage, expand, confront, and reshape them. Here, cultural studies is not a settled field but an unruly and ongoing conversation, an affective and political project sustained through convivial agonism, where asking so what sparks new thinking and even better stories. With contributions from Charles R. Acland, Preston Adcock, Juan Ricardo Aparicio, Bryan G. Behrenhausen, Tony Bennett, Marcus Breen, Lisa B. Y. It wasn't even the way she was left alone for weeks at a time with no adults around apart from the enigmatic handyman. It was everything. She knows she's made mistakes. She admits that she lied to obtain the post and that her behavior toward the children wasn't always ideal. She's not innocent by any means. But she maintains she's not guilty at least not of murder but somebody is. Full of spellbinding menace and told in Ruth Ware's signature suspenseful style, *The Turn of the Key* is an unputdownable thriller from the Agatha Christie of our time.

Chasing the Story Shira Anthony, 2020-05-12 A Coastal Carolina Novel When TV reporter Brand Josephson attends an industry awards dinner in Charlotte, North Carolina, the last person he expects to bump into is the man he's idolized since he was a high school student. Back then Zach Caldwell was a New York City anchor riding terrific ratings to a prized spot on the national news. But when Zach disappeared before taking the job, he left many people, including Brand, wondering what happened. Since leaving New York for North Carolina four years before, Zach's kept to himself and avoided relationships. He tells himself he's happy with his reclusive life as editor of the local Wilmington newspaper, but when he and Brand end up chasing the same story of industry corruption, Brand's romantic charm and all-around good nature sneak past his defenses and into his heart. Brand's discovery of the scandal behind Zach's hasty exit from broadcast television puts their newly fledged relationship to the test, but the story they're working on together puts their lives on the line. *Infinite* Cecy Robson, 2018-08-15 [Year's Best Young Adult Speculative Fiction 2014](#) Julia Rios, Alisa Krasnostein, 2016-02-14 Fans of Kaleidoscope will find more tales of wonder, adventure, diversity, and variety in this collection devoted to stories with teen protagonists.
