Online Social Networks in Business Frameworks Sudhir Kumar Rathi,Bright Keswani,Rakesh Kumar Saxena,Sumit Kumar Kapoor,Sangita Gupta,Romil Rawat,2024-10-08 This book presents a vital method for companies to connect with potential clients andconsumers in the digital era of Online Social Networks OSNs utilizing the strengthof well known social networks and AI to achieve success through fostering brandsupporters generating leads and enhancing customer interactions There are currently 4 8 billion Online Social Network OSN users worldwide Online Social Networks in Business Frameworks presents marketing through online social networks OSNs which is a potent method for companies of all

sizes to connect with potential clients and consumers. If visitors are not on OSN sites like Facebook, Twitter, and LinkedIn, they are missing out on the fact that people discover, learn about, follow, and purchase from companies on OSNs. Excellent OSN advertising may help a company achieve amazing success by fostering committed brand supporters and even generating leads and revenue. A type of digital advertising known as social media marketing (SMM) makes use of the strength of well-known social networks to further advertise and establish branding objectives. Nevertheless, it goes beyond simply setting up company accounts and tweeting whenever visitors feel like it. Preserving and improving profiles means posting content that represents the company and draws in the right audience, such as images, videos, articles, and live videos, addressing comments, shares, and likes while keeping an eye on the reputation to create a brand network and following and interacting with followers, clients, and influencers.
