The Buried Sky (Post-Apocalyptic Survival Sci Fi Action Thriller) Keith Hartman, 2011-04-23 Coming of age after the end of the world The Bunker was humanity's last hope An underground town sealed away from the radiation that killed everything on the surface A lifeboat with its own water and power and hydroponic farms to see us through the long nuclear winter But radiation isn't the only thing that can kill you and life in the Bunker has its own dangers There are a half dozen factions that rule this town and it's a bad idea to get on the wrong side of any of them I'm one of the Brats the kids who were born in this place and have never seen the open sky But I've never fit in with the rest of them I'm not one of the Cools or the Geeks or the Chosen I'm just the weird boy who sits in the library reading stories about the world that's gone But still this is my home too And now it's dying The Bunker is failing One
