**Serial Pinboarding in Contemporary Television** Anne Ganzert, 2020-02-07 This book provides an in depth study of pinboards in contemporary television series and develops the interdisciplinary and innovative concept of Serial Pinboarding. Pinboards are character attributes they visualize thought processes are used for conspiracy theories as murder walls or for complex cases in any genre. They significantly condition and are conditioned by seriality. This book discusses how the pinboards in *Castle*, *Homeland*, *Flash Forward* and *Heroes* connect evidence knowledge and seriality and how through transmediality and fan practices an age of pinboarding has formed. *Serial Pinboarding in Contemporary Television* will appeal to TV enthusiasts, professionals and researchers and students of TV and production studies, fan studies, media studies and art theory.

**Social Media Audit** Urs E. Gattiker, 2012-10-28 Social media has drastically improved the way we can reach target audiences and serve our customers. Like its financial counterpart, the social media audit (SMA) can be described as a formalized review of an organization's social media activities. However, contrary to financial audits, social media audits are not guided by government regulations or a set of professional rules and standards. This book will address social media marketing issues using a cost-benefit approach while presenting a systematic approach to review the organization's social media activities. Using the checklists and templates provided in this book will enable readers to conduct an audit that helps identify target areas for performance improvement and recommendations for how to achieve these objectives. Social media platforms discussed include Facebook, LinkedIn, Google Plus, Twitter, Tumblr and Xing.
